

MIDWEST ONE FINANCIAL GROUP, INC.

CLAWBACK POLICY

**1. Introduction.** The Board of Directors (the “**Board**”) of MidWestOne Financial Group, Inc. (the “**Company**”) believes that it is in the best interests of the Company and its shareholders to adopt this Clawback Policy (the “**Policy**”), which provides for the recovery of certain compensation in the event of an Accounting Restatement or Misconduct (each such term defined below). This Policy is designed to comply with, and shall be interpreted consistent with, Section 10D of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), Rule 10D-1 promulgated under the Exchange Act (“**Rule 10D-1**”) and Nasdaq Listing Rule 5608 (the “**Listing Standards**”).

**2. Administration.** Except as specifically set forth herein, this Policy shall be administered by the Compensation Committee of the Board (the “**Administrator**”). The Administrator is authorized to interpret and construe this Policy and to make all determinations necessary, appropriate or advisable for the administration of this Policy. Any determinations made by the Administrator shall be final and binding on all affected individuals and need not be uniform with respect to each individual covered by the Policy. In the administration of this Policy, the Administrator is authorized and directed to consult with the full Board or such other committees of the Board, such as the Audit Committee, as may be necessary or appropriate as to matters within the scope of such other committee’s responsibility and authority. Subject to any limitation at applicable law, the Administrator may authorize and empower any officer or employee of the Company to take any and all actions necessary or appropriate to carry out the purpose and intent of this Policy (other than with respect to any recovery under this Policy involving such officer or employee). Notwithstanding anything to the contrary, if any compensation (or portion thereof) of a Covered Executive is subject to a clawback policy or similar arrangement with the Company in addition to this Policy (each, an “**Alternative Clawback Arrangement**”), this Policy shall apply to such compensation (or portion thereof) to the extent recoupment under this Policy is required by applicable law, or would require or permit a more extensive recoupment by the Company. However, for the avoidance of doubt, this Policy shall in no way limit the Company’s ability to recoup any compensation (or portion thereof) subject to an Alternative Clawback Arrangement, provided that in no event shall the Company seek double recovery with respect to any compensation (or portion thereof).

**3. Definitions.** As used in this Policy, the following definitions shall apply:

a. “**Accounting Restatement**” means an accounting restatement of the Company’s financial statements due to the Company’s material noncompliance with any financial reporting requirement under the securities laws, including any required accounting restatement to correct an error in previously issued financial statements that is material to the previously issued financial statements, or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period.

b. “**Applicable Period**” means the three completed fiscal years immediately preceding the date on which the Company is required to prepare an Accounting Restatement, as well as any transition period (that results from a change in the Company’s fiscal year) within or immediately following those three completed fiscal years (except that a transition period that comprises a period of at least nine months shall count as a completed fiscal year). The “date on which the Company is required to prepare an Accounting Restatement” is the earlier to occur of (a) the date the Board or committee of the Board concludes, or reasonably should have concluded, that the Company is required to prepare an Accounting Restatement or (b) the date a court, regulator or other legally authorized body directs the Company to prepare an Accounting Restatement, in each case regardless of if or when the restated financial statements are filed.

c. **“Covered Executives”** means the current and former executive officers of the Company and its subsidiaries, as determined by the Administrator in accordance with the definition of executive officer set forth in Rule 10D-1 and the Listing Standards.

d. **“Erroneously Awarded Compensation”** has the meaning set forth in Section 6 of this Policy.

e. A **“Financial Reporting Measure”** is any measure that is determined and presented in accordance with the accounting principles used in preparing the Company’s financial statements, and any measure that is derived wholly or in part from such measure. Financial Reporting Measures include but are not limited to the following (and any measures derived from the following): Company stock price; total shareholder return (**“TSR”**); revenues; net income; operating income; profitability of one or more reportable segments; financial ratios; earnings before interest, taxes, depreciation and amortization; funds from operations and adjusted funds from operations; liquidity measures (e.g., working capital, operating cash flow); return measures (e.g., return on invested capital, return on assets); earnings measures (e.g., earnings per share); any of such financial reporting measures relative to a peer group, where the Company’s financial reporting measure is subject to an Accounting Restatement; and tax basis income. A Financial Reporting Measure need not be presented within the Company’s financial statements or included in a filing with the Securities Exchange Commission.

f. **“Incentive-Based Compensation”** means any compensation that is granted, earned or vested based wholly or in part upon the attainment of a Financial Reporting Measure. Incentive-Based Compensation is “received” for purposes of this Policy in the Company’s fiscal period during which the Financial Reporting Measure specified in the Incentive-Based Compensation award is attained, even if the payment or grant of such Incentive-Based Compensation occurs after the end of that period.

g. **“Misconduct”** means (i) where a Covered Executive is a party to any agreement with the Company that sets forth a definition of “cause” (or a substantially similar concept), conduct by the Covered Executive which satisfies such definition of “cause,” and (ii) where a Covered Executive is not a party to any agreement with the Company that sets forth a definition of “cause” (or a substantially similar concept), a determination in the sole discretion of the Administrator that the Covered Executive has engaged in (A) any act of (1) fraud or intentional misrepresentation or (2) embezzlement, misappropriation or conversion of assets or opportunities of the Company or any subsidiary of the Company, (B) willful violation of any law, rule or regulation in connection with the performance of the Participant’s duties to the Company or any subsidiary of the Company (other than traffic violations or similar offenses), (C) with respect to any employee of the Company or any subsidiary of the Company, commission of any act of moral turpitude or conviction of a felony or (D) the willful or negligent failure of the Participant to perform the Participant’s duties to the Company or any subsidiary of the Company in any material respect.

h. **“Time-Based Compensation”** means any compensation, whether equity-based or cash-based, which is provided, directly or indirectly, by the Company or any of its subsidiaries that is not granted, earned, or vested, based on the attainment of a Financial Reporting Measure. Time-Based Compensation is “received” for purposes of this Policy in the Company’s fiscal period during which any vesting or other time-based service period lapses with respect to such compensation, not when settlement or payment with respect thereto occurs.

**4. Covered Executives; Incentive-Based Compensation and Time-Based Compensation.** This Policy applies to Incentive-Based Compensation and Time-Based Compensation received by a Covered Executive (a) after beginning services as a Covered Executive; (b) if that person served as a Covered Executive at any time during the performance period for such Incentive-Based Compensation or the vesting period for such Time-Based Compensation; and (c) while the Company had a listed class of securities on a national securities exchange.

**5. Required Recoupment.** In the event the Company is required to prepare an Accounting Restatement, the Company shall promptly recoup the amount of any Erroneously Awarded Compensation received by any Covered Executive, as calculated pursuant to Section 6 hereof. In the event the Covered Executive is determined to have engaged in Misconduct, the Company shall promptly recoup the amount of any Erroneously Awarded Compensation received by any Covered Executive, as calculated pursuant to Section 6 hereof.

**6. Erroneously Awarded Compensation: Amount Subject to Recovery.**

a. The amount of “**Erroneously Awarded Compensation**” subject to recovery under the Policy, as determined by the Administrator:

i. with respect to the occurrence of any **Accounting Restatement**, is the amount of (1) Incentive-Based Compensation received by the Covered Executive during the Applicable Period that exceeds the amount of Incentive-Based Compensation that would have been received by the Covered Executive had it been determined based on the restated amounts, and (2) Time-Based Compensation received during the Applicable Period by the Covered Executive that exceeds the amount of Time-Based Compensation that would have been received, as determined in the reasonable discretion of the Administrator, by the Covered Executive had it been determined based on the restated amounts; and

ii. with respect to the occurrence of any **Misconduct**, is the amount of (1) any or all Incentive-Based Compensation or Time-Based Compensation received during the three (3) year period immediately preceding the occurrence of such occurrence of Misconduct, and (2) any or all Incentive-Based Compensation or Time-Based Compensation awarded after such occurrence of Misconduct if, in the Administrator’s sole discretion, such compensation would not have been awarded had such Misconduct been known to the Administrator prior to any such award.

b. Erroneously Awarded Compensation shall be computed by the Administrator without regard to any taxes paid by the Covered Executive in respect of the Erroneously Awarded Compensation.

c. With respect to any compensation plans or programs that take into account Incentive-Based Compensation or Time-Based Compensation, the amount of Erroneously Awarded Compensation subject to recovery hereunder includes, but is not limited to, the amount contributed to any notional account based on Erroneously Awarded Compensation and any earnings accrued to date on that notional amount.

d. For Incentive-Based Compensation based on stock price or TSR: (a) the Administrator shall determine the amount of Erroneously Awarded Compensation based on a reasonable estimate of the effect of the Accounting Restatement on the stock price or TSR upon which the Incentive-Based Compensation was received; and (b) the Company shall maintain documentation of the determination of that reasonable estimate and provide such documentation to The Nasdaq Stock Market (“**Nasdaq**”).

**7. Method of Recoupment.** The Administrator shall determine, in its sole discretion, the timing and method for promptly recouping Erroneously Awarded Compensation hereunder, which may include without limitation (a) seeking reimbursement of all or part of any cash or equity-based award, (b) cancelling prior cash or equity-based awards, whether vested or unvested or paid or unpaid, (c) cancelling or offsetting against any planned future cash or equity-based awards, (d) forfeiture of deferred compensation, subject to compliance with Section 409A of the Internal Revenue Code and the regulations promulgated thereunder and (e) any other method authorized by applicable law or contract. Subject to compliance with any applicable law, the Administrator may affect recovery under this Policy from any amount otherwise payable to the Covered Executive, including amounts payable to such individual under any otherwise applicable Company plan or program, including base salary, bonuses or commissions and compensation previously deferred by the Covered Executive.

a. In connection with the occurrence of any **Accounting Restatement**, the Company is authorized and directed pursuant to this Policy to recoup Erroneously Awarded Compensation in compliance with this Policy unless the Compensation Committee of the Board has determined that recovery would be impracticable solely for the following limited reasons, and subject to the following procedural and disclosure requirements:

i. The direct expense paid to a third party to assist in enforcing the Policy would exceed the amount to be recovered. Before concluding that it would be impracticable to recover any amount of Erroneously Awarded Compensation based on expense of enforcement, the Administrator must make a reasonable attempt to recover such erroneously awarded compensation, document such reasonable attempt(s) to recover and provide that documentation to Nasdaq;

ii. Recovery would violate home country law of the issuer where that law was adopted prior to November 28, 2022. Before concluding that it would be impracticable to recover any amount of Erroneously Awarded Compensation based on violation of home country law of the issuer, the Administrator must satisfy the applicable opinion and disclosure requirements of Rule 10D-1 and the Listing Standards; or

iii. Recovery would likely cause an otherwise tax-qualified retirement plan, under which benefits are broadly available to employees of the Company, to fail to meet the requirements of 26 U.S.C. 401(a)(13) or 26 U.S.C. 411(a) and regulations thereunder.

b. In connection with the occurrence of any **Misconduct**, the Company is authorized and directed pursuant to this Policy to recoup Erroneously Awarded Compensation in compliance with this Policy unless the Compensation Committee of the Board has determined, in its sole discretion, that recovery would be impracticable.

c. If any Covered Executive fails or refuses to repay any Incentive Compensation and/or Time-Based Compensation that is subject to recovery by the Company pursuant to this Policy, the Covered Executive shall be solely liable for any and all of the Company's costs and expenses (including, but not limited to legal fees) incurred in pursuing and obtaining such repayment.

**8. No Indemnification of Covered Executives.** Notwithstanding the terms of any indemnification or insurance policy or any contractual arrangement with any Covered Executive that may be interpreted to the contrary, the Company shall not indemnify any Covered Executives against the loss of any Erroneously Awarded Compensation, including any payment or reimbursement for the cost of third-party insurance purchased by any Covered Executives to fund potential clawback obligations under this Policy.

**9. Indemnification of Administrator.** Any members of the Administrator, and any other members of the Board who assist in the administration of this Policy, shall not be personally liable for any action, determination or interpretation made with respect to this Policy and shall be fully indemnified by the Company to the fullest extent under applicable law and Company policy with respect to any such action, determination or interpretation. The foregoing sentence shall not limit any other rights to indemnification of the members of the Board under applicable law or Company policy.

**10. Effective Date; Retroactive Application.** This Policy shall be effective as of October 2, 2023 (the "**Effective Date**"). The terms of this Policy shall apply to any Incentive-Based Compensation or Time-Based Compensation that is received by Covered Executives on or after the Effective Date, even if such Incentive-Based Compensation or Time-Based Compensation was approved, awarded, granted or paid to Covered Executives prior to the Effective Date. Without limiting the generality of Section 6 hereof, and subject to applicable law, the Administrator may affect recovery under this Policy from any amount of compensation approved, awarded, granted, payable or paid to the Covered Executive prior to, on or after the Effective Date.

**11. Amendment; Termination; Filing Requirement.** The Board may amend this Policy from time to time in its discretion and shall amend this Policy as it deems necessary to reflect final regulations adopted by the Securities and Exchange Commission under Section 10D of the Exchange Act and to comply with any rules or standards adopted by a national securities exchange on which the Company's securities are listed. The Board may terminate this Policy at any time. A copy of this Policy and any amendments thereto shall be posted on the Company's website and filed as an exhibit to the Company's annual report on Form 10-K.

**12. Other Recoupment Rights.** The Board intends that this Policy will be applied to the fullest extent of the law. The Board may require that any employment agreement, equity award agreement, or similar agreement entered into on or after the Effective Date shall, as a condition to the grant of any benefit thereunder, require a Covered Executive to agree to abide by the terms of this Policy. Any right of recoupment under this Policy is in addition to, and not in lieu of, any other remedies or rights of recoupment that may be available to the Company pursuant to the terms of any similar policy in any employment agreement, equity award agreement, or similar agreement and any other legal remedies available to the Company.

**13. Successors.** This Policy shall be binding and enforceable against all Covered Executives and their beneficiaries, heirs, executors, administrators or other legal representatives.

**14. Venue.** Any action or proceeding seeking to enforce any provision of, or based on any right arising out of, this Policy, shall be brought exclusively in the courts of the State of Iowa, County of Johnson, or, if it has or can acquire jurisdiction, in the United States District court for the Northern District of Iowa, and each Covered Executive consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue laid therein. Process in any action or proceeding referred to in the preceding sentence may be served anywhere in the world.
