NEWS RELEASE

TURTLE BEACH UNVEILS ITS ALL-NEW RECON 70 SERIES GAMING HEADSETS

2019-03-18

Built for Victories Across Every Genre and Platform, the Recon 70 is the All-New Successor

to the Recon 50 – the #1 Selling Wired Gaming Headset for the Past Two Years

Recon 70 for Nintendo Switch is On-Sale Now at Participating Retailers,

with Xbox One and PlayStation 4 Versions Available May 1, 2019

San Diego, CA – March 18, 2019 – **Turtle Beach** (NASDAQ: HEAR), a global leader in gaming audio, today unveiled the all-new **Recon 70** – the Company's latest series of powerful and affordable wired gaming headsets, and the successor to the Turtle Beach's Recon 50 – the #1 selling wired gaming headset1 in North America. The Recon 70 is built to give gamers the advantage they need on any battlefield, on any platform. Available for a MSRP of $39.95, the Recon 70 delivers high-quality game audio through powerful 40mm over-ear speakers and features Turtle Beach's signature high-sensitivity flip-to-mute mic. The Recon 70's lightweight design includes a padded and adjustable headband, while synthetic leather-wrapped ear cushions provide unmatched comfort so players can focus on the match and secure that win.

The Recon 70 for Nintendo Switch™, with its signature red accents, is available now at **www.turtlebeach.com** and at participating retailers in North America. Additionally, black and white models of the Recon 70 for Xbox One and PlayStation®4 will be available in North America starting May 1, 2019, with pre-orders available now at **www.turtlebeach.com**. Also available on May 1, 2019 will be a midnight red version of the Recon 70 for PS4™.

In Europe, the Recon 70 for Xbox One and PS4 is available now at Argos in the UK, with broader availability in participating European territories set for April 1, 2019. In Europe, the midnight red version of the Recon 70 will be for the Nintendo Switch and will launch at retail at the end of May 2019. Pre-orders for these models also available now on **www.turtlebeach.com**.

“The Recon 50 has been the best-selling wired gaming headset in the U.S. and Canada for the past two years1, and the all-new Recon 70 builds upon its predecessor with a refined design and our great flip-to-mute mic, all for the same $39.95 price,” said Juergen Stark, CEO, Turtle Beach. “The Recon 70 is also available in more color options and is compatible with all gaming systems, so we believe we’ll see the Recon 70 continue the Recon 50’s trend of ‘best-seller’ with enough time in the market.”

With today’s longer and longer gaming sessions becoming the new normal, the need for superior audio, crystal-clear communication, and lightweight comfort is larger than ever, and the Recon 70 delivers it all. Key features include:

LIGHTWEIGHT COMFORT

A lightweight headset design ensures complete comfort during those hours-long gaming sessions featuring a padded headband and ear cushions.

FLIP-UP MIC

Turtle Beach's renowned high-sensitivity mic picks up your voice loud and clear to ensure your commands are always heard. Previously available on higher-end headset models, the mic can be flipped up out of the way to mute when not in use, and blends into the headset's design.

HIGH-QUALITY 40MM SPEAKERS

Superior 40mm over-ear speakers deliver amazing game sound so you hear every crisp high and thundering low.

PREMIUM EAR CUSHIONS

Synthetic leather-wrapped ear cushions provide added comfort, improved bass response and better noise-isolation.

MULTIPLATFORM COMPATIBILITY

Designed for the Nintendo Switch and also works great with Xbox One, PS4 Pro & PS4, PC, and mobile devices with a 3.5mm connection.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "project", "intend" and similar expressions constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company's liquidity, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire, our indebtedness, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Quarterly Report on Form 10-Q and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
