TURTLE BEACH CORPORATION LAUNCHES THE EAR FORCE STEALTH 450 100% FULLY WIRELESS PC GAMING HEADSET FEATURING DTS HEADPHONE:X 7.1 SURROUND SOUND AND SUPERHUMAN HEARING

2015-09-15

San Diego, CA — September 11, 2015 — Leading-edge audio technology company and #1 in gaming audio, Turtle Beach Corporation (NASDAQ: HEAR), today announced the Ear Force® Stealth 450 Wireless PC gaming headset is available at retail. With a new headset>

“The Stealth 450 PC gaming headset offers an amazing mix of best-in-class features to PC gamers for an amazing price,” said Juergen Stark, CEO, Turtle Beach Corporation. “And the 450 is very similar in design to our fan-favorite 420X that we launched for Xbox One in July, so we know we’ve got another winning gaming headset sure to keep PC gamers happy.”

The full list of features for the Ear Force Stealth 450 includes:

- 100% Fully Wireless – No wires anywhere. Experience crystal clear game and chat audio using the latest, intelligent channel-hopping technology for interference-free wireless gaming.

- Simple Setup – One simple-to-set-up USB connection to the PC and players’ wireless gaming dreams come true.

- DTS Headphone:X 7.1 Surround Sound & Sound Presets – Experience DTS Headphone:X 7.1 Surround Sound with incredibly accurate, unmatched spatialization.

- Superhuman Hearing – From the faintest of enemy footsteps to weapon reloads off in the distance, Superhuman Hearing ensures gamers hear it all by amplifying soft sounds when switched on. This exclusive Turtle Beach audio

processing gives players the competitive advantage of hearing enemies before they come into view.

- STOP SHOUTING! – Variable Mic Monitoring lets players hear their own voice in the headset to avoid shouting.

- Lightweight & Comfortable Headset Design – An updated over-ear headset design with breathable, fabric/mesh-wrapped ear-cups provides for superior comfort during those long PC gaming sessions.

- Mic Check – A high-sensitivity, adjustable boom mic picks-up voice audio loud and clear. Remove the mic to enjoy mobile/tablet gaming, as well as listening to music and watching movies.

- Voice Prompts – Audible voice prompts from the headset tell gamers what setting they've selected.

- 15 Hour Rechargeable Battery – A built-in rechargeable battery delivers up to 15 hours of wireless gaming.
