2015-07-17

San Diego, CA — July 17, 2015 — Leading-edge audio technology company and #1 in gaming audio, Turtle Beach Corporation (NASDAQ: HEAR), delivers its third 100% fully wireless Xbox One gaming headset with tomorrow's arrival of the EAR FORCE® Stealth 420X. Continuing the Company's commitment to creating a broad range of products that meet the desires and budgets of every gamer, the Stealth 420X will be available at retail starting Saturday, July 18, 2015, offering Xbox One gamers a wealth of high-quality features, including 100% fully wireless connectivity for both game and chat audio, for a MSRP of $149.95.

"As the market leader, we continuously challenge ourselves to innovate and create new headsets with unique offerings for each segment of the gaming audience," said Juergen Stark, CEO, Turtle Beach Corporation. "Our third fully wireless Xbox One headset, the Stealth 420X, delivers the perfect mix of best-in-class features and functionality from its Elite 800X and Stealth 500X siblings for a more immersive and comfortable gaming experience at a great price. And given the glowing reviews of the product, we've delivered another clear winner for our gaming fans."

The full list of features for the EAR FORCE Stealth 420X includes:

- 100% Fully Wireless – No wires anywhere. Experience crystal clear game and chat audio using the latest, intelligent channel-hopping technology for interference-free wireless gaming.

- Simple Setup – One simple-to-set-up USB connection to the Xbox One and players' wireless gaming dreams come true.

- STOP SHOUTING! – Mic Monitoring lets players hear their own voice in the headset to avoid shouting.

- Game & Chat Volume Control – Independent game audio and chat audio controls allow players to tune the mix to their preference.

- Lightweight & Comfortable Headset Design – An updated over-ear headset design with supple, perforated synthetic leather-wrapped ear-cups provides superior comfort and improved bass response.

- Mic Check – A high-sensitivity, adjustable boom mic picks-up voice audio loud and clear. Remove the mic to enjoy mobile/tablet gaming, as well as listening to music and watching movies.

- 15 Hour Rechargeable Battery – A built-in rechargeable battery delivers up to 15 hours of wireless gaming.

- Audio Presets & Voice Prompts – Four Turtle Beach audio presets and audible voice prompts from the headset tell gamers what setting they've selected.
