NEWS RELEASE

Finance of America Announces Dual Listing on NYSE Texas

2025-08-14

PLANO, Texas--(BUSINESS WIRE)-- Finance of America Companies Inc. ("Finance of America" or the "Company") (NYSE: FOA), a leading provider of home equity-based financing solutions for a modern retirement, today announced a dual listing of its common stock on NYSE Texas, the newly launched fully electronic equities exchange headquartered in Dallas, Texas. The Company will maintain its primary listing on the New York Stock Exchange and trade with the same "FOA" ticker symbol on NYSE Texas.

"As a company headquartered in Texas, Finance of America is honored to be a Founding Member of NYSE Texas," said Graham Fleming, Chief Executive Officer of Finance of America. "We believe this dual listing will broaden investor access and awareness of our mission – to educate more Americans on the value of home equity-based retirement solutions."

"Finance of America is a leader in home equity financing for Americans over 55, and we are pleased to welcome them to our community of NYSE Texas Founding Members," said Chris Taylor, Chief Development Officer, NYSE Group.

Forward-Looking Statements

This release includes forward-looking statements within the meaning of the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are not historical facts or statements of current conditions, but instead represent only the Company’s beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company’s control. These statements include, but are not limited to, statements related to the performance of our business, our financial results, our liquidity and capital resources, and other non-historical statements. In some cases, you can identify these forward-looking statements by the use of words such as “outlook,” “believes,” “expects,” “potential,” “continues,” “may,” “will,” “should,” “could,” “seeks,” “projects,” “predicts,” “intends,” “plans,” “estimates,” “budgets,” “forecasts,” “anticipates,” or the negative version of these words or other comparable words. Such forward-looking statements are subject to various risks and uncertainties that could cause actual outcomes or results to differ materially from those indicated in these statements, including those risks referenced below. Given the significant uncertainties inherent in the forward-looking statements included herein, the inclusion of such information should not be regarded as a representation by the Company or any other person that the results or conditions described in such statements or the Company’s objectives and plans will be achieved. The Company cautions readers not to place undue reliance upon any forward-looking statements, which are current only as of the date of this release. Results for any specified quarter are not necessarily indicative of the results that may be expected for the full year or any future period. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions, or circumstances on which any such statement is based, except as required by law. All subsequent written and oral forward-looking statements concerning the Company or other matters and attributable to the Company or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. A number of important factors exist that could cause future results to differ materially from historical performance and these forward-looking statements. Factors that might cause such a difference include, but are not limited to those factors indicated in the Company’s filings with the U.S. Securities and Exchange Commission (the “SEC”).

All of these factors are difficult to predict, contain uncertainties that may materially affect actual results, and may be beyond our control. New factors emerge from time to time, and it is not possible for our management to predict all such factors or to assess the effect of each such new factor on our business. Although we believe that the assumptions underlying the forward-looking statements contained herein are reasonable, any of the assumptions could be inaccurate, and any of these statements included herein may prove to be inaccurate. Please refer to “Risk Factors” included in our Annual Report on Form 10-K for the year ended December 31, 2024, filed with the SEC on

March 14, 2025, as amended by Amendment No. 1 to our Annual Report on Form 10-K/A, filed with the SEC on May 20, 2025, for further information on risk factors affecting us, as such factors may be amended and updated from time to time in the Company's subsequent periodic filings with the SEC, which are accessible on the SEC's website at **www.sec.gov**.
