IGT Positioned for Growth in Panama via New Local Entity and Expanded Regional Resources

6/1/2023

Company's expanded presence in Panama creates new selling opportunities and enables country's first Floor Manager deployment

LONDON – June 1, 2023 – International Game Technology PLC ("IGT") (NYSE: IGT) announced today that it has fortified its presence in Panama and increased its growth opportunities in the region via the formation of a new local entity and elevated regional resources.

"In creating a formal IGT presence in Panama, we're positioned to grow our footprint in the region and enable our customers to reap the many benefits of IGT's vast games and solutions portfolio," said David Flinn, IGT SVP Sales, Canada, Central and South America. "New- to-the-region solutions such as the cloud-based Floor Manager system allow operators to optimize floor performance and quickly respond to player needs and content preferences."

IGT has a compelling, market-attuned product roadmap for Panama that will be introduced through a series of special events. Among the most anticipated games for the region are: Egyptian Link™ and Prosperity Link™ on the Company's PeakDual™27 and PeakSlant49™ cabinets; and USwitch™ Black Edition multi-game pack on the versatile PeakSlant32™ cabinet.

As a result of the Company's expanded position in Panama, IGT recently completed the first installation of the award-winning cloud-based Floor Manager system solution. Part of IGT's ADVANTAGE™ casino management system, Floor Manager will give operators immediate access to dozens of downloadable IGT slots games, including captivating titles like Lunar Disc™, Wu Dragon™, and Power Coins Leprechaun™. Floor Manager also provides optimization tools and real-time game performance analytics.

“IGT is committed to building our roadmap in Panama with our diverse portfolio of high-performing solutions tailored specifically for the region,” said Jessica Luna, IGT Senior Director of Strategic Accounts, LatAm. “Backed by the expertise of a dedicated team and industry-leading designs, IGT will secure new partnerships with operators throughout the Country and deliver award-winning games, cabinets and solutions that will differentiate their gaming floors.”
