Ford Motor Company to Participate in Jefferies Disrupt Summit: Techonomy 2020

DEARBORN, Mich., Oct. 15, 2018 – On Monday, Oct. 22, Dr. Ken Washington, Ford's vice president of Research and Advanced Engineering and Chief Technology Officer, will participate in the 2018 Jefferies Disrupt Summit: Techonomy 2020 in New York. The event explores how leaders across diverse industries are rewriting old business models and creating new innovation ecosystems.

Washington's panel discussion on disruption within mobility will begin at 1:30 p.m. ET followed by a question-and-answer session.

A listen-only audio webcast will be available at www.shareholder.ford.com.
