NEWS RELEASE

Venture Global, Inc. Announces Record Date for Cash Dividend

2025-05-30

ARLINGTON, Va.--(BUSINESS WIRE)-- The Venture Global, Inc. (“Venture Global”) (NYSE: VG) board of directors determined today that the per share amount of its previously declared cash dividend shall be $0.0165 per share, or approximately $40 million in the aggregate, payable on June 30, 2025 to holders of its outstanding Class A common stock and outstanding Class B common stock, and that the record date shall be the close of business on June 10, 2025.

About Venture Global

Venture Global is a long-term, low-cost provider of U.S. LNG sourced from resource rich North American natural gas basins. Venture Global’s business includes assets across the LNG supply chain including LNG production, natural gas transport, shipping and regasification. Venture Global’s first facility, Calcasieu Pass, commenced producing LNG in January 2022 and achieved commercial operations in April 2025. The company’s second facility, Plaquemines LNG, achieved first production of LNG in December 2024. The company is currently constructing and developing over 100 MTPA of nameplate production capacity to provide clean, affordable energy to the world. Venture Global is developing Carbon Capture and Sequestration projects at each of its LNG facilities.
