PRESS RELEASE

Pricing of CNH Industrial Capital LLC $500 million notes

Basildon, October 7, 2024

CNH Industrial N.V. (NYSE: CNH) today announced that its wholly owned subsidiary, CNH Industrial Capital LLC, has priced $500 million in aggregate principal amount of 4.500% notes due 2027, with an issue price of 99.809%. The offering is expected to close on October 9, 2024, subject to the satisfaction of customary closing conditions.

CNH Industrial Capital LLC intends to add the net proceeds from the offering to its general funds and use them for working capital and other general corporate purposes, including, among other things, the purchase of receivables or other assets in the ordinary course of business. The net proceeds may also be applied to repay CNH Industrial Capital LLC's indebtedness as it becomes due.

The notes, which are senior unsecured obligations of CNH Industrial Capital LLC, will pay interest semi-annually on April 8 and October 8 of each year, beginning on April 8, 2025, and will be guaranteed by CNH Industrial Capital America LLC and New Holland Credit Company, LLC, each a wholly owned subsidiary of CNH Industrial Capital LLC. The notes will mature on October 8, 2027.

Barclays Capital Inc., Goldman Sachs & Co. LLC, Santander US Capital Markets LLC and SG Americas Securities, LLC are acting as joint book-running managers and the representatives of the underwriters for the offering, and BBVA Securities Inc., SMBC Nikko Securities America, Inc., Intesa Sanpaolo IMI Securities Corp. and UniCredit Capital Markets LLC are acting as joint book-running managers for the offering. The offering is being made pursuant to an effective shelf registration statement filed with the U.S. Securities and Exchange Commission on March 14, 2022.
