“We are honored to have worked side by side with the Doc to develop and refine a unique and powerful line of gaming gear worthy of the award-winning, back-to-back champion, gaming lord, and his legion of Champions Club members,” said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. “Firm handshakes all around to our teams at Turtle Beach and ROCCAT who took Doc’s vision and forged these ruthless tools of dominance.”

“Yaya ya ya ya ya ya yeah yeah yeah yeah,” said Dr Disrespect. “Firm handshakes, indeed, Stark, firm handshakes indeed. To my friends at Turtle Beach and ROCCAT, job well-done!”

Dr Disrespect continued, “When I first asked the teams at Turtle Beach and ROCCAT to help elevate Champions Club members’ skills, they knew I meant business because I’ve never allowed any other gaming company to have this level of access into the inner sanctum of The Arena. They clearly understood that the honor of creating gear that passes the VSM demands was not to be toyed with, and the teams did an unbelievable job in producing these high-grade weapons of digital mass destruction.”

Dr Disrespect again continued, “I take full responsibility for...no, I revel in...the mayhem, that is about to be unleashed.”

This gear is for Champions. For the ultimate in gaming audio performance, the Turtle Beach® Stealth™ 700 Gen 2 Dr Disrespect wireless gaming headset for PS5™ & PS4™ delivers Champion Grade performance with a wireless connection as strong as the 2X himself, a long-lasting 20-hour battery, AeroFit™ Ear Cushions, and powerful 50mm Nanoclear™ drivers.
