EXPERIENCE GAMING IN A NEW LIGHT WITH PDP'S DESIGNED FOR XBOX AFTERGLOW WAVE WIRELESS GAMING HEADSET – NOW AVAILABLE

2024-09-25

The New Afterglow Wave Wireless Headset for Xbox Series X|S & Windows PC Combines Top Gaming Audio & Captivating RGB Lighting for \$99.99 MSRP

White Plains, NY – September 25, 2024 – Leading gaming accessories maker **Turtle Beach Corporation** (Nasdaq: HEAR), and **Performance Designed Products** LLC (PDP) today announced the launch of the new Designed for Xbox **Afterglow™ Wave Wireless Headset**. Created for gamers on Xbox Series X|S, Xbox One, and Windows 10/11 PCs, the Afterglow Wave Wireless Headset's large 50mm drivers and flip-to-mute mic deliver top gaming audio performance while putting on a captivating RGB lighting show. These new wireless headsets are available in black or white colorways for \$99.99/£79.99/€99.99 MSRP at www.PDP.com and participating retailers worldwide.

"We're excited to expand our Afterglow RGB technology to new, additional products so fans can really glow-up their gaming space," said Billy Brisebois, PDP Marketing Manager, Turtle Beach Corporation. "With millions of RGB color combinations at their disposal through the free PDP Control Hub app, gamers can customize their RGB light show across the Afterglow Wave headset, controller, and even their charging station."

PDP continues expanding its family of RGB-driven **Afterglow Wave** gaming accessories, with the Afterglow Wave Wireless Headset for Xbox and PC as the newest addition. Gamers donning PDP's new wireless RGB gaming headset can cycle through different lighting effects and colors using the "Mode" button, or via downloading the free **PDP**

Control Hub app where they'll find deeper customization options. Fine-tuned 50mm drivers deliver crisp highs and booming lows for an immersive gaming audio experience across Xbox, PC, and compatible Bluetooth® devices. Soft, memory foam cushions let gamers play in comfort for hours, while on-ear volume controls allow for quick adjustments. Players will be able to communicate clearly with teammates using the Afterglow Wave Wireless Headset's noise-cancelling mic, which quickly flips up out of the way to mute when it's time to go radio silent.

Make light work of enemies with PDP's officially licensed Afterglow Wave Wireless headset. For more information on the latest PDP products and accessories, visit www.pdp.com and www.victrixpro.com.

About PDP

PDP is an industry leader and award-winning provider of high-quality licensed peripherals and accessories for all major video game platforms. PDP believes that design-forward, high-performance gear should be as unique and accessible as the gaming community itself. From beginner to professional, PDP's product lines offer uncompromising performance and striking designs that transport gamers into seamless, immersive experiences where competition, connection, and personal expression are limitless. Victrix by PDP is purpose built for esports athletes and enthusiasts looking for unmatched performance and competitive advantage. For over 25 years, PDP has been supplying video game peripherals and accessories to major retailers across the world, including retailers in the United States, Canada, Europe, and Australia. Turtle Beach Corporation acquired Performance Designed Products LLC (www.pdp.com) in 2024. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: HEAR.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may,” “could,” “would,” “should,” “believe,” “expect,” “anticipate,” “plan,” “estimate,” “target,” “goal,” “project,” “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management’s current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
