

Get Lit With Stunning RGB Lighting & ROCCAT's Vibrant Magma Mini – the Award-Winning PC Peripheral Brand's New 60% Sized RGB Membrane Gaming Keyboard

2023-01-10

ROCCAT's Beloved Magma Takes New Shape in a Mini Form Factor Packed with Five Programmable RGB Light Zones, Soft Membrane Switches, EasyShift[+] Programmability, and IP33-Rated Water and Dust Resistance

WHITE PLAINS, N.Y.–(BUSINESS WIRE)–Jan. 10, 2023– **ROCCAT**, the award-winning PC peripherals brand from best-selling gaming headset and accessories maker **Turtle Beach Corporation** (Nasdaq: HEAR), today unveiled the newest addition to its PC gaming keyboard lineup – the **Magma Mini 60% Gaming Keyboard**. The Magma Mini's compact footprint is 60% the size of a full-size keyboard – perfect for PC gamers who need more room for large mouse movements, and its fully illuminated top plate has five programmable zones which showcase ROCCAT's stunning **AIMO** RGB lighting. Magma Mini features membrane switches with a midway actuation point, expanded key functionality with ROCCAT's EasyShift[+]™ technology, and the latest IP33-rated resistance against water and dust. Magma Mini's attractive \$49.99 MSRP also makes it a great starter keyboard for PC gamers seeking beauty and functionality in a mini form factor. Pre-order now!

“Magma Mini is the standout entry-level mini PC gaming keyboard because it blends the popular 60% format with the

performance and RGB lighting ROCCAT is known for,” said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. “Magma Mini also offers durable IP33-rated protection against dust, particles, and spills, and its \$50 MSRP makes it an easy choice for PC gamers looking to add RGB lighting to their desktop.”

ROCCAT’s Magma Mini 60% Gaming Keyboard is equipped with a translucent top plate with five programmable RGB zones and 10 LED backlights. With ROCCAT’s AIMO lighting, gamers can enjoy a vivid and immersive experience with 16.8 million RGB color options. Gamers can also sync the Magma Mini with other AIMO-enabled products in ROCCAT’s acclaimed PC peripherals range, including the **Burst Pro** mouse and **Elo 7.1 Air or USB headset**, to create a vibrant PC gaming battle station that can’t be overlooked.

The Magma Mini also features quiet and responsive membrane keys with a fast, midway actuation point for a highly satisfying keystroke. Advanced anti-ghosting technology ensures gamers can press up to 20 keys simultaneously when reacting in the heat of battle, and they’ll all register as intended, keeping PC gamers in control. Magma Mini is also equipped with ROCCAT’s acclaimed Easy-Shift[+] technology allowing gamers to assign a secondary function to their most-used keys, expanding the capability of each keystroke. The Magma Mini power cable connects on the left side of the keyboard, perfect for gamers who play with their keyboard tilted, as well as to not get in the way of larger mouse movements.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal

securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions, or beliefs about future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “goal”, “project”, “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
