

NEWS RELEASE

NEW BOO HOO, GRAND PRIX MARIO, & BLACKOUT BOWSER REMATCH GLOW WIRELESS CONTROLLERS FOR NINTENDO SWITCH NOW AVAILABLE

2024-10-08

Play All Night with PDP's Unique Glow-in-the-Dark Boo Hoo, Grand Prix Mario, & Blackout Bowser REMATCH GLOW Wireless Controllers for Nintendo Switch

White Plains, NY, October 8, 2024 – Leading gaming accessories maker **Turtle Beach Corporation** (Nasdaq: HEAR), and **Performance Designed Products LLC (PDP)**, today announced the launch of the **Boo Hoo, Grand Prix Mario, and Blackout Bowser REMATCH GLOW™** Wireless Controllers for the Nintendo Switch™ family of systems. Officially licensed by Nintendo, these collectible glow-in-the-dark controllers are compatible with the Nintendo Switch, Nintendo Switch Lite, and Nintendo Switch – OLED Model systems, and are available from www.pdp.com and participating retailers for \$54.99/£49.99/€59.99 MSRP. There's also a new **Boo Hoo Travel Case Plus GLOW** for Nintendo Switch available now in the UK/EU, and launching October 28, 2024, in the U.S. for \$19.99/£16.99/€19.99 MSRP.

"Our Boo Hoo, Grand Prix Mario, and Blackout Bowser REMATCH GLOW Wireless Controllers are perfect gifts, whether for yourself or other gamers playing on Nintendo Switch," said Billy Brisebois, PDP Brand Manager, Turtle Beach Corporation. "We are excited for fans and collectors to turn out the lights and see the unique glow-in-the-dark designs while they play in style."

PDP's Boo Hoo, Grand Prix Mario, and Blackout Bowser REMATCH GLOW Wireless Controllers feature rare designs

from beloved games featuring Mario that glow-in-the-dark after exposure to light. With a 40-hour battery life, gamers can play all day knowing their controller can keep up with longer gaming sessions. The REMATCH GLOW Wireless Controllers for Nintendo Switch also feature built-in motion controls and a 30-foot low-latency wireless range. Plus, gamers can customize even further with dual programmable back buttons. In addition to the Boo Hoo controller, PDP has also created a new Boo Hoo Travel Case Plus GLOW for Nintendo Switch systems featuring gaming's favorite ghost. Gamers on Nintendo Switch best not turn their backs on these two collectibles, especially once the lights go out.

Turtle Beach Corporation acquired Performance Designed Products (www.pdp.com) in 2024. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: HEAR.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may,” “could,” “would,” “should,” “believe,” “expect,” “anticipate,” “plan,” “estimate,” “target,” “goal,” “project,” “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management’s current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to inflationary pressures, optimizing our product portfolio, reducing our cost of goods and operating expenses, reductions in logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, including promotional credits and discounts, general business and economic conditions, risks associated with the future direction or governance of the Company, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
