Neat Microphones' Stylish Skyline Desktop USB Microphone Now Available

2021-10-11

From Home to Office to Classroom and Beyond, Neat's Elegant and Easy-to-Use Skyline Microphone Significantly Improves How You Sound for a MSRP of \$69.99

WHITE PLAINS, N.Y.-(BUSINESS WIRE)-Oct. 11, 2021- **Neat Microphones**, the innovative brand of high-quality digital USB and analog microphones from **Turtle Beach Corporation** (Nasdaq: HEAR), today announced the availability of its all-new Neat **Skyline™** desktop USB microphone. With daily virtual meetings, online get-togethers with friends and family, and online education becoming everyday activities, it's critical your voice is heard clearly. With the Neat team's decades-long background and expertise creating many of the world's best high-performance microphones, the all-new Skyline is designed to outperform any PC's built-in mic to ensure you sound good at home, in the office, and when learning from home. Skyline is available in black or white and has a sleek and sophisticated shape that accents any desktop setup. Its high-quality, crystal-clear 24 bit/96 kHz digital audio makes it the perfect addition to any PC, laptop, tablet, or other compatible device with a USB input. Neat Microphones' Skyline is available now at www.neatmic.com/skyline, Amazon, Sweetwater, American Musical Supply, zZounds, and other participating retailers in North America for a MSRP of \$69.99. Skyline is planned to launch in select European territories in November.

"Skyline puts our expertise and heritage in high-performance recording microphones into an all-new design we created

specifically for the growing audience of people staying in touch with others digitally, and working and learning from home,” said Skipper Wise, Neat Microphones Founder and Vice President at Turtle Beach. “Digitally conferencing with others, whether for work, school, or fun, is here to stay and will only continue to expand. Just as we created the original Neat King Bee and **King Bee II** for professional recording artists, we designed Skyline to be the right desktop mic for everyday home and office conferencing needs.”

Neat Microphones’ Skyline desktop condenser USB microphone takes your audio to new heights by offering outstanding versatility and incredible sound quality. The Skyline’s high-resolution 24 bit/96 kHz audio plugs into an available USB port on your PC or Mac via the included a USB-C to USB-A cable. Once connected, colleagues, friends, and family will quickly note your improved voice clarity when you talk, and for those times you don’t want to be heard, Skyline features a large, tactile mute button that feels great to push for quick, easy silence.

Neat is creating the next generation of microphones, with products that embrace cutting-edge audio technology and innovative design. Whether you record in a professional studio or your home, whether it’s music, podcasts, gaming, voiceovers, or conferencing/chatting with colleagues, classmates, friends and family, Neat captures it all with exceptional audio clarity and looks. For the latest information on the Neat Skyline and Neat Microphone’s complete lineup of professional and consumer microphones, visit www.neatmic.com.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “goal”, “project”, “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties,

which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company's liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
