

NEWS RELEASE

# PDP DEBUTS NEW REMATCH GLOW CONTROLLERS FOR NINTENDO SWITCH & XBOX

2024-09-03

It's time for a REMATCH – Play All Night with PDP's Unique Glow-in-the-Dark Boo Hoo, Grand Prix Mario, & Blackout Bowser REMATCH GLOW Wireless Controllers for Nintendo Switch

Play as Strong as Steel with PDP's New Designed for Xbox Titan Steel REMATCH GLOW Advanced Wired Controller

White Plains, NY, September 3, 2024 – Leading gaming accessories maker Turtle Beach Corporation (Nasdaq: HEAR), and Performance Designed Products LLC (PDP), are set to glow up the early holiday season with all-new, collectable glow-in-the-dark controllers for Nintendo Switch™ and Xbox. PDP's newest controllers include the officially licensed **Boo Hoo, Grand Prix Mario, and Blackout Bowser REMATCH GLOW™** Wireless Controllers for the Nintendo Switch family of systems. There's also a new Nintendo Switch **Boo Hoo Travel Case + GLOW** coming as well. For gamers on Xbox and PC, PDP introduced the exclusive, Designed for Xbox **Titan Steel REMATCH GLOW Advanced Wired Controller**. All controllers are available for pre-order now at [www.PDP.com](http://www.PDP.com), at [www.turtlebeach.com](http://www.turtlebeach.com), and at participating retailers in the U.S., UK, and Europe.

“Our glow-in-the-dark **REMATCH GLOW** controllers are a real treat for gamers on Nintendo Switch, Xbox and PC as we head into the holidays,” said Cris Keirn, CEO, Turtle Beach Corporation. “The controllers introduce amazing designs that gaming fans will certainly appreciate, and their unique collectable nature at affordable prices makes them perfect gift options.”

For gamers on Nintendo Switch, the Boo Hoo, Grand Prix Mario, and Blackout Bowser REMATCH GLOW Wireless Controllers will power-up their play with rare designs from beloved Mario games that glow-in-the-dark after exposure to light. With a 40-hour battery life, gamers can play all day knowing their controller can keep up with longer gaming sessions. The REMATCH GLOW Wireless Controllers for Nintendo Switch also feature built-in motion controls and a 30-foot low-latency wireless range. Plus, gamers can customize even further with dual programmable dual back buttons. In addition to the Boo Hoo controller, PDP has also created a new Boo Hoo Travel Case Plus GLOW for Nintendo Switch featuring gaming's favorite ghost. Gamers and fans alike should not turn their backs on these two collectables, especially once the lights go out.

The officially licensed REMATCH GLOW Wireless Controllers for Nintendo Switch are available for pre-order for \$54.99/£49.99/€59.99 MSRP. The Boo Hoo controller goes on-sale in the U.S. on October 1, 2024, and will be available in the UK/EU on October 8, 2024. The Boo Hoo Travel Case Plus GLOW is available for pre-order for \$19.99/£16.99/€19.99 MSRP and launches October 24, 2024, in the U.S. and on October 8, 2024, in the UK/EU. The Grand Prix Mario edition controller will be available at participating retailers in the U.S. on October 8, 2024. The Blackout Bowser edition controller goes on-sale in the U.S. on September 22, 2024.

Gamers on Xbox and PC can play as strong as steel with the new, Designed for Xbox Titan Steel REMATCH GLOW Advanced Wired Controller. This unique controller exclusively for Xbox Series X|S, Xbox One, and Windows 10/11 features a unique glow-in-the-dark design, plus customizability through the PDP Control Hub app, 2-way hair triggers, and two programmable back buttons for quicker reaction time. Dual rumble motors and impulse triggers also deliver an immersive gameplay experience while the D-pad provides quick and easy built-in volume adjustments. The PDP Control Hub app lets gamers re-map buttons, reconfigure triggers, adjust deadzones, and more. The Titan Steel REMATCH GLOW Advanced Wired Controller is an Xbox officially licensed controller and is available for \$37.99/£29.99/€39.99 MSRP and launches October 18, 2024, in the U.S., and will be available in the UK/EU on October 25, 2024.

### Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may," "could," "would," "should," "believe," "expect," "anticipate," "plan," "estimate," "target," "goal," "project," "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management's current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no

assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to inflationary pressures, optimizing our product portfolio, reducing our cost of goods and operating expenses, reductions in logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, including promotional credits and discounts, general business and economic conditions, risks associated with the future direction or governance of the Company, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
