About PDP

PDP is an industry leader and award-winning provider of high-quality licensed peripherals and accessories for all major video game platforms. PDP believes that design-forward, high-performance gear should be as unique and accessible as the gaming community itself. From beginner to professional, PDP's product lines offer uncompromising performance and striking designs that transport gamers into seamless, immersive experiences where competition, connection, and personal expression are limitless. Victrix by PDP is purpose built for Esports athletes and enthusiasts looking for unmatched performance and competitive advantage. For over 25 years, PDP has been supplying video game peripherals and accessories to major retailers across the world, including retailers in the United States, Canada, Europe, and Australia. For more information, visit www.pdp.com and victrixpro.com. PDP was acquired by Turtle Beach Corporation in March 2024.

About Turtle Beach Corporation

Turtle Beach Corporation (the "Company") (www.turtlebeachcorp.com) is one of the world's leading gaming accessory providers. The Company's namesake Turtle Beach brand (www.turtlebeach.com) is known for designing best-selling gaming headsets, top-rated game controllers, award-winning PC gaming peripherals, and groundbreaking gaming simulation accessories. Innovation, first-to-market features, a broad range of products for all types of gamers, and **top-rated customer support** have made Turtle Beach a fan-favorite brand and the market leader in console gaming audio for over a decade. Turtle Beach Corporation acquired Performance Designed Products, LLC (www.pdp.com) in 2024. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: HEAR.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may,” “could,” “would,” “should,” “believe,” “expect,” “anticipate,” “plan,” “estimate,” “target,” “goal,” “project,” “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management’s current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to inflationary pressures, optimizing our product portfolio, reducing our cost of goods and operating expenses, reductions in logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, including promotional credits and discounts, general business and economic conditions, risks associated with the future direction or governance of the Company, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
