

POPULAR FRENCH GAMING INFLUENCERS SKYRROZ AND INOXTAG PARTNER WITH TURTLE BEACH AND ROCCAT

2020-07-02

San Diego, CA – July 2, 2020 – Leading gaming audio and accessory brand **Turtle Beach** (Nasdaq: HEAR) today announced partnerships with two popular French gaming influencers – Skyrroz and Inoxtag. A fan of Turtle Beach since he started making videos, Skyrroz is a veteran of the Call of Duty scene with millions of followers and will now be exclusively using the #1 console gaming headset brand when he plays. Rising YouTube star Inoxtag has been experiencing the advantage of **ROCCAT**'s precision-tuned PC accessories for years, and now officially joins forces with the highly-acclaimed PC brand. These new partnerships reinforce Turtle Beach and **ROCCAT**'s growing presence in France and the significance of the French gaming market.

“France is a major territory in the gaming industry, so we’re excited to be working with Skyrroz and Inoxtag who have a huge following within the French gaming community,” said Julian Woods, Managing Director, Turtle Beach Europe. “Skyroz and Inoxtag have a large fan audience across Call of Duty and Fortnite, each with millions of followers, and they’ll now have the latest gear from Turtle Beach and **ROCCAT** which is great for driving continued visibility and growth of both brands in this important market.”

Skyroz is one of the best-known faces in the French Call of Duty scene, where his eccentricities and sense of humour have earned him the respect of millions of subscribers across multiple social platforms. Creator of thousands of YouTube videos dedicated to different game genres and a proud Twitch partner, Skyrroz has used Turtle Beach headsets since his gaming debut in 2012. The content creator currently uses a range of Turtle Beach headsets, including the **Elite Pro 2**, a gaming headset designed for competitive console gamers, as well as the acclaimed **Elite Atlas**.

"I started making YouTube videos with a Turtle Beach headset years ago and have used one ever since, so I'm looking forward to continuing that journey as an official partner," said Skyrroz.

Inoxtag is also a major player on the French gaming scene. Famous for his Fortnite content, Inoxtag has over two million subscribers and is a true rising star of 2020. Inoxtag has been using ROCCAT products for over a year and is currently using the latest **Kain 200 AIMO** wireless mouse and the **Vulcan 121 AIMO** high-performance mechanical keyboard – two gaming accessories that have been widely lauded by gaming and tech media.

"It's a pleasure to partner with a brand like ROCCAT," said Inoxtag. "I've been using their mice and keyboards for the past four years, so I'm very proud to now officially represent them."

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "goal", "project", "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company's partnerships with influencers, athletes, and esports teams and organizations, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions including the impact of coronavirus on consumer demands and manufacturing capabilities, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company's liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
