Pure Chat...No Wires – Turtle Beach’s All-New Recon Air Wireless Chat Communicator Launches Worldwide

2022-04-25

WHITE PLAINS, N.Y.-(BUSINESS WIRE)-Apr. 25, 2022- Leading gaming accessory maker **Turtle Beach Corporation** (Nasdaq: HEAR) today revealed the Company’s all-new Turtle Beach **Recon Air™** Wireless Chat Communicator headset is now available at participating retailers worldwide. The RECON Air is designed for gamers who have a killer home entertainment system for game audio and need a headset to hear and talk to other players, and it’s perfect for anybody who wants a sleek Bluetooth® wireless chat headset that can be used for audio and video conferencing and a variety of daily needs. Turtle Beach’s RECON Air delivers high-quality inbound and outbound chat with friends and teammates and is a great tool for congratulating the other team on their epic loss. The RECON Air’s microphone is tuned for gaming to pick up voice chat loud and clear and is also noise-cancelling to minimize background distractions. A rechargeable 10-hour battery powers the headset throughout the day, while a reversible ear hook and swappable ear tips ensure comfort. The Designed for Xbox RECON Air delivers crystal-clear chat on Xbox Series X|S and Xbox One, and there’s also a version for PS5™ and PS4™. Both models are also compatible with Windows PCs, Mac®, and Bluetooth-enabled iOS and Android mobile devices. RECON Air is available at www.turtlebeach.com and participating retailers worldwide for a \$39.99 MSRP.

Turtle Beach’s All-New Recon Air Wireless Chat Communicator Launches Worldwide For Xbox (shown) and PlayStation (Photo: Business Wire)

“The RECON Air is an affordable chat headset designed for gaming, as well as for staying connected with friends, family, and co-workers and making sure your voice sounds great while you talk,” said

Juergen Stark, Chairman and CEO, Turtle Beach Corporation. "It's now my go-to headset for meetings on Teams and Zoom when I travel."

The all-new wireless RECON Air enables complete freedom for crystal-clear chat with teammates as well as for taunting enemies, while also looking and sounding fantastic when using services like Discord, Skype, Teams, Zoom, and more. RECON Air has a sleek, minimalist design and its unidirectional, noise-cancelling, gaming-tuned microphone picks up voice chat loud and clear while minimizing background noise. The RECON Air's wireless transmitter makes setup on Xbox or PlayStation consoles a breeze, and lag-free Bluetooth 5.1 connectivity expands compatibility for Windows PCs and Mac, as well as iOS and Android mobile devices.

Ensuring a comfortable fit for everyone, the RECON Air has a customizable design that allows users to rotate the ear hook to wear the headset on either side of their head, and three different sized interchangeable ear tips make for the perfect fit. The long-lasting 10-hour battery keeps players in the game without interruptions, plus a quick 15-minute charge using the included USB-C cable delivers three hours of battery life. Additionally, integrated controls allow gamers to keep their eyes on the action and easily adjust chat volume, mute the sound, answer phone calls, and use other Bluetooth-enabled functions.

About Turtle Beach Corporation

Turtle Beach Corporation (corp.turtlebeach.com) is one of the world's leading gaming accessory providers. The Company's namesake Turtle Beach brand (www.turtlebeach.com) is known for designing high-quality, comfort-driven headsets for all gamers. Innovation, first-to-market features, a broad range of products, and top-rated customer support have made Turtle Beach a fan-favorite brand and the market leader in console gaming audio for over a decade. In 2021, Turtle Beach expanded the best-selling brand beyond headsets and successfully launched the first of its groundbreaking game controllers and gaming simulation accessories. Turtle Beach's ROCCAT brand (www.roccat.com) combines detail-loving German innovation with a genuine passion for designing the best PC gaming products, including award-winning keyboards, mice, headsets, mousepads, and other PC accessories. Turtle Beach's Neat Microphones brand (www.neatmic.com) creates high-quality USB and analog microphones for gamers, streamers, professionals and students that embrace cutting-edge technology and design. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: **HEAR**.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal

securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “goal”, “project”, “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company’s liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
