ROCCAT Becomes Dr Disrespect's Exclusive Partner For PC Gaming Mice, Keyboards And More

2020-02-27

SAN DIEGO, Feb. 27, 2020 /PRNewswire/ — **Turtle Beach** (Nasdaq: HEAR) today announced a new partnership between ROCCAT, its Hamburg, Germany-based PC accessories brand, and the indomitable **Dr Disrespect**. This new multi-year deal expands Turtle Beach's ongoing partnership with Dr Disrespect, making ROCCAT Doc's exclusive keyboard, mouse, and mousepad partner as he brings his signature irrepressible approach to gamers around the world on his widely viewed Twitch channel. Acquired by Turtle Beach in 2019, ROCCAT combines detail-loving German innovation with a genuine passion for PC gaming, and has a history of creating award-winning accessories like the acclaimed **Kain** mouse and **Vulcan** keyboard, both of which are already in Doc's arsenal.

“Dr Disrespect is a formidable gamer and powerful partner,” said René Korte, General Manager for PC Products at Turtle Beach. “There are very few streamers with the skills to game and entertain like Doc does, so providing him our superior PC hardware is an honor, and we look forward to continuing our work together.”

Dr Disrespect was named Streamer of the Year twice (2019, 2017) by the Esports Awards and has over 3.8 million followers with over 150 million total views on his Twitch channel. In Dec. 2019, The Walking Dead creators, Skybound Entertainment, entered a television deal with Doc to develop a **TV series** based on his character. Another deal was announced in mid-February with Gallery Books, an imprint of Simon & Schuster, for a comedic “memoir” detailing the character’s backstory and is scheduled to publish next spring.

“Benjamin Franklin or whatever once declared, ‘the best investment is in the tools of one’s own trade,’” said Dr Disrespect. “Only ROCCAT’s sleek, precision-engineered gaming devices can meet my exact demands for the premiere tools necessary to dominate my competition.”

Dr Disrespect is currently using ROCCAT’s award winning Kain series mice and Vulcan series keyboards. Kain is born from the vision of creating the best “click” and aimed to deliver maximum precision performance as one of the fastest and most responsive PC gaming mice available. Popular tech/lifestyle publication T3 recently named the Kain 120 AIMO “**The overall best gaming mouse available today.**” ROCCAT’s latest Vulcan 121 AIMO mechanical gaming keyboard is the new, even faster version of the Vulcan 120 AIMO which was named **Best Gaming Keyboard of 2019 by WIRED**. In addition to using ROCCAT’s latest gear to deliver his opponent’s demise, Dr Disrespect will work on a range of signature products pairing ROCCAT’s precision engineering with Doc’s dominating gameplay.

To experience Dr Disrespect’s unique and entertaining gaming sessions, check out his Twitch channel at <https://www.twitch.tv/drdisrespect>. For more information on ROCCAT’s line-up of high-quality, German-engineered PC gaming accessories, visit <https://roccat.org>.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "goal", "project", "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company's partnerships with influencers, athletes, and esports teams, the substantial uncertainties inherent in the acceptance of existing and adoption of future products, the difficulty of commercializing and protecting new technology and products, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company's liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Quarterly Report on Forms 10-Q and 10-K and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
