TURTLE BEACH ANNOUNCES THE GLOBAL AVAILABILITY FOR ELITE PRO – PC EDITION TO ITS ELITE PRO LINE OF ESPORTS AND hardcore GAMING PRODUCTS

2017-07-21

Turtle Beach's Elite Pro – PC Edition Expands Its Powerful Esport Headset With an All-New PC Gaming Headset That Includes a USB Amp

SAN DIEGO, CA – July 21, 2017 – In its ongoing commitment to elite players on any platform, leading gaming headset and audio accessory maker **Turtle Beach Corporation** (NASDAQ: HEAR) today announced the global availability of the all-new **Elite Pro-PC Edition**. This new headset is a key expansion that brings PC gamers into the groundbreaking line-up of Elite Pro Tournament Gaming Headsets.

“PC gaming continues to be one of the most competitive and demanding segments in all of esports,” said Juergen Stark, CEO, Turtle Beach Corporation. “The Elite Pro represents the pinnacle of our design and engineering efforts and we could not be happier to have PC players now able to compete and win in all their gaming endeavors using our new Elite Pro – PC Edition.”

The “Elite” series product line represents the highest in audio and build quality from Turtle Beach, and offers gamers the ultimate professional-grade features. Designed from the ground up for today’s generation of esports

athletes and hardcore gamers playing on PC, the Elite Pro – PC Edition is the future of PC gaming headsets. Full details for the Elite Pro – PC Edition professional gaming headset include:

- ComforTec™ Fit System – Experience a groundbreaking new level of comfort with this revolutionary, adjustable fit system.
- Aerofit™ Ear Cushions – Revolutionary material technologies combine to keep your ears comfortable and cool, while also blocking out external noise and improving bass response.
- ProSpecs™ Glasses Relief System – Comfortably wear your headset with glasses thanks to our patented, pressure-relieving technology.
- DTS Headphone:X® Surround Sound Technology – Creates a unique, immersive 7.1 channel soundstage around your head so you can pinpoint the exact location of every sound.
- DTS Surround Sound Modes – Personalize your audio preferences with surround sound modes specifically tuned for games, movies and music.
- Superhuman Hearing™ – Gain the competitive advantage by hearing every single sound around you, like other players sneaking-up behind you and enemy weapon reloads around a corner just before an ambush, and vehicles off in the distance bringing in reinforcements. Hear Everything. Defeat Everyone.
- Pro Gaming Mic with TruSpeak™ Technology – Ensure your voice is heard loud and clear with this professional quality mic.

- 50mm Nanoclear™ Speakers – Immerse yourself in the game and hear your teammates clearly, thanks to our signature esports audio tuning and large, powerful 50mm speakers.
- Additional ELITE PRO Products – Visit www.turtlebeach.com/elite-pro-headsets

The Elite Pro – PC Edition is available now at www.turtlebeach.com and participating retailers for a MSRP of \$199.95.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal

securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “project”, “intend” and similar expressions constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current belief, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company’s liquidity, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire, our indebtedness, the outcome of our HyperSound strategic review process and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Quarterly Report on Form 10-Q, the Company’s Annual Report on Form 10-K and the Company’s other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
