NEWS RELEASE

TURTLE BEACH CORPORATION ENGAGES LIOLIOS TO LEAD STRATEGIC INVESTOR RELATIONS PROGRAM

2015-09-21

San Diego, CA – September 21, 2015 – **Turtle Beach Corporation** (NASDAQ: **HEAR**), the leading-edge audio technology company and #1 in gaming audio, has engaged **Liolios Group, Inc.** to lead investor relations and public capital market communications.

“We’ve made significant progress on several important initiatives over the last few quarters,” said Juergen Stark, CEO, Turtle Beach Corporation. “This holiday season, we expect to once again have the broadest, most advanced offering of Xbox One, PlayStation®4 and PC gaming headsets, which should help offset the expected continued decline in demand for older generation products. In our HyperSound business, we continue to get positive feedback on our HyperSound Clear™ product and are looking forward to the upcoming launch. Finally, we secured $15 million in additional external financing in July and are now better positioned to capitalize on the high-value growth opportunities across our business.”

Stark continued, “Given our progress and the opportunity ahead, we have engaged Liolios to increase our institutional investor awareness. They will help us deliver the right message to the right audience, and establish high-quality relationships with influential members of the financial community.”

Over the course of the next several months, Liolios will work closely with Turtle Beach Corporation’s executive team

to continue developing and executing a comprehensive public investor strategy. Activities will include messaging and corporate positioning, strategic advisory and introductions to new investors and key influencers in the capital markets.

Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute

forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Forward looking statements are based on management's statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "project", "intend" and similar expressions constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, the substantial uncertainties inherent in acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire, our indebtedness, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
