

NEWS RELEASE

TURTLE BEACH INTRODUCES BATTLE BUDS – HIGH-PERFORMANCE EAR BUDS BUILT FOR GAMERS ON THE GO

2018-12-03

Available Exclusively at Target in the U.S. and from Turtlebeach.com,

Battle Buds \$29.95 MSRP Make Them A Perfect Holiday Stocking Stuffer

San Diego, CA – December 3, 2018 – Leading gaming headset and audio accessory brand **Turtle Beach** (Nasdaq: HEAR) today announced the all-new **Turtle Beach Battle Buds™** – a high-performance in-ear headset designed for gamers on the go. The Battle Buds' standout feature is the removable high-sensitivity boom microphone which delivers crystal-clear in-game chat with other players. When not gaming, the boom mic can be easily detached, and the inline mic can be used for taking calls and chatting on the go. Additionally, Battle Buds have 10mm speakers that deliver full-range sound, as well as a standard 3.5mm connection to ensure compatibility with nearly all mobile devices, Nintendo Switch™, Xbox One, PS4™, and PC. Battle Buds arrive with two color combinations – **bright white with teal accents**, or **sleek black with silver accents**, and are available today exclusively at **Target** in the United States and at www.turtlebeach.com for a MSRP of just \$29.95, making them a perfect stocking stuffer gift for the holidays.

“The Battle Buds use our renowned mic technology to deliver a great multiplayer chat experience, just in a smaller, more portable package created for gamers playing on Nintendo Switch™ and mobile devices,” said Juergen Stark, CEO, Turtle Beach. “Battle Buds sound great whether gaming or listening to music, and both mics pick up

your voice loud and clear, whether you're coordinating with your squad to ensure you get the next win, or on a call with a friend talking about your next match."

Full details for the Turtle Beach Battle Buds in-ear gaming headset include:

CRYSTAL-CLEAR CHAT – A removable high-sensitivity, unidirectional boom mic picks up your voice loud and clear when your squad needs you most. Additionally, the built-in inline mic is great for taking calls on the go.

LIGHTWEIGHT COMFORT – Three sizes of interchangeable ear-tips with stabilizers ensure a great fit so you can use for hours in complete comfort.

MULTIFUNCTION INLINE CONTROLLER – The inline controller puts Master Volume, Mic Mute, and a Multifunction Button (for supported devices) at your fingertips.

HIGH-QUALITY 10MM SPEAKERS – 10mm speakers produce crisp highs and thundering lows.

MULTIPLATFORM COMPATIBILITY – Designed for Nintendo Switch™ and mobile gaming, and also works great with Xbox One, PS4™, and PCs with a 3.5mm jack.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "looking", "plan", "estimate", "target", "project", "intend" and similar expressions constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current belief, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company's liquidity, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire, our indebtedness, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Quarterly Report on Form 10-Q and the Company's other periodic reports. Except as required by applicable law, including the securities laws of the United

States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
