

NEWS RELEASE

TURTLE BEACH LAUNCHES THE ELITE SUPERAMP PRO PERFORMANCE GAMING AUDIO CONTROLLER FOR XBOX ONE AND PLAYSTATION 4

2018-10-16

The Elite SuperAmp is a Groundbreaking Audio Controller

Allowing Gamers to Connect, Amplify, and Control Their Audio Settings

Via Bluetooth Using the Turtle Beach Audio Hub App

San Diego, CA – Oct. 16, 2018 – On the heels of the just-launched Elite Pro™ 2 + SuperAmp™ bundle, Turtle Beach (Nasdaq: HEAR), today confirmed the **Elite SuperAmp™ Pro Performance Gaming Audio Controller** is now available as a standalone product for **Xbox One** and **PlayStation®4**. With the Elite SuperAmp, gamers will be able to connect any wired gaming headset to unlock groundbreaking mobile app-based control of their audio settings, as well as powerful and immersive amplified surround sound, plus a robust suite of additional features and functionality. The Elite SuperAmp is available exclusively at www.turtlebeach.com in North America for a MSRP of \$149.95, with future availability across participating European territories planned for early 2019. Read below for full details. #WeAreElite

“The Elite SuperAmp is perfect for gamers looking to significantly step-up their audio experience while using their existing headset,” said Juergen Stark, CEO, Turtle Beach. “The SuperAmp’s standard 3.5mm jack is

compatible with nearly all wired gaming headsets, while the intuitive mobile app makes it easy to quickly adjust and customize your settings from your phone or tablet before jumping into a game.”

The Elite SuperAmp offers an entirely new way for players to control their game audio. This one-dial gaming audio controller provides powerful amplified Windows Sonic for Headphones surround sound on Xbox One and compatible Windows 10 PCs, and DTS® Headphone:X® 7.1 channel surround sound on PS4™ and PC, and connects via Bluetooth® to the **Turtle Beach Audio Hub** mobile app on Android or iOS devices where gamers can adjust a variety of settings. When connected to the Audio Hub app on their mobile device, players will be able to instantly control features like Game and Chat Audio Mix, Variable Mic Monitoring, Dynamic Chat Boost™, Superhuman Hearing™ and other audio EQ presets, including Bass Boost. There are also controls for the SuperAmp’s LED color and lighting mode, and streaming-specific audio settings as well.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal

securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “project”, “intend” and similar expressions constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current belief, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to the Company’s liquidity, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the implementation of any businesses we acquire, our indebtedness, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Quarterly Report on Form 10-Q and the Company’s other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
