# TURTLE BEACH LAUNCHES THE THIRD GENERATION OF ITS BEST-SELLING STEALTH 700 PREMIUM WIRELESS MULTIPLATFORM GAMING HEADSET

2024-09-23

The Redesigned Stealth 700 Introduces CrossPlay Dual Wireless Transmitters for Easily Switching Between Multiple Devices, Plus Bluetooth 5.2, Large & Powerful 60mm Eclipse Dual Drivers, a Long-Lasting 80-Hour Battery Life, & Much More for \$199.99 MSRP

The Stealth 700's PC Version Pairs Turtle Beach's Patented 60mm Eclipse Dual Drivers with 24-Bit, 96kHz High-Fidelity Wireless Audio & Waves 3D Sound Enhancements for Best-in-Class Sound, Plus a 16-bit, 32kHz High-Bandwidth Microphone

White Plains, NY – September 23, 2024 – Leading gaming accessories maker **Turtle Beach Corporation** (Nasdaq: HEAR) today announced the global availability of its new premium wireless multiplatform gaming headset, the redesigned **Turtle Beach® Stealth™ 700**. This third iteration of Turtle Beach's best-selling premium wireless gaming headset brings massive upgrades to the series, with new features like CrossPlay dual wireless transmitters that make switching between devices quick and easy, plus simultaneous Bluetooth® 5.2 connectivity. Massive 60mm Eclipse™ dual drivers delivering powerful, unparalleled sound, and a long-lasting 80-hour rechargeable battery life are also significant upgrades. The Designed for Xbox, PlayStation®, and PC editions of the Stealth 700 are all available for purchase at [www.turtlebeach.com](http://www.turtlebeach.com) and participating retailers worldwide for \$199.99/£179.99/€199.99 MSRP.

“Elevating a fan-favorite gaming headset like our Stealth 700 is always a balance between true innovation and continuing to deliver the performance that’s made this such a popular model generation after generation,” said Cris Keirn, CEO, Turtle Beach Corporation. “Our new Stealth 700 delivers significant feature upgrades over earlier versions and the competition, all while retaining the original \$199.99 MSRP that’s made this a best-selling premium wireless gaming headset for years.”

The Turtle Beach Stealth 700 wireless multiplatform gaming headset for Xbox, PlayStation, PC, Steam Deck™, and mobile is redesigned for a third generation of premium gaming prowess. Gamers can dominate on consoles and PC with the Stealth 700’s CrossPlay dual wireless transmitter system, which includes two wireless USB transmitters allowing gamers to easily change the headset’s audio source at the touch of a button. Additionally, simultaneous Bluetooth 5.2 keeps players connected to their mobile devices while never losing game audio. The new Stealth 700 also features massive and powerful 60mm Eclipse™ Dual Drivers, a third-generation flip-to-mute mic with A.I. noise-cancellation and echo reduction to ensure gamers sound excellent, a whopping 80-hour battery life with quick-charge functionality, and much more.

The Stealth 700’s dedicated PC version adds 24-bit, 96kHz high-fidelity wireless audio and Waves 3D sound enhancements, plus a 16-bit, 32kHz high-bandwidth microphone. The Designed for Xbox Stealth 700 is available in cobalt blue/gold or black/silver, while the PlayStation version is available in white/silver or black/silver. The Stealth 700 PC version is available in black/silver.

Gamers can also download the Turtle Beach Swarm II app for mobile devices and on PCs, allowing them to customize their Stealth 700 settings to their preference, and to do firmware updates for optimal performance.

### Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may," "could," "would," "should," "believe," "expect," "anticipate," "plan," "estimate," "target," "goal," "project," "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management's current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
