Turtle Beach and NBA Star Josh Hart Reveal New Multi-Year Partnership Built on His Passion for Gaming

San Diego, CA – November 15, 2018 – Leading gaming headset and audio accessory brand **Turtle Beach** (Nasdaq: HEAR) today announced a new multi-year partnership as the official audio partner of Los Angeles Laker Josh Hart. Hart and Turtle Beach will also produce content highlighting the power and benefit of using high-quality audio equipment when playing on the court and online. Additionally, Hart will have a hand in helping shape Turtle Beach's future product lines, working with the company's leading product and engineering teams to develop new gear designed to help fans succeed on and off the court, in gaming and beyond.

"We strive to align ourselves with partners who share our passion for gaming, and we're impressed with everything Josh represents both as a pro athlete and as a gamer," said Juergen Stark, CEO, Turtle Beach. "We're thrilled to have Josh join the Turtle Beach team, and can't wait to integrate him with our fans, while introducing his fans to our winning lineup of gaming headsets."

A standout guard in Los Angeles and former NCAA men's basketball champion, Hart was named the 2018 NBA Summer League MVP earlier this year. As dominant as he is on the court, Hart is also known by many for his passion for video games. Through this partnership with Turtle Beach, facilitated through negotiations with Roc Nation Sports, Josh elevates his gaming with the highly-acclaimed **Elite Pro 2 + SuperAmp Pro**

**Performance Gaming Audio System** – the company's premier competitive gaming audio setup for Xbox One and Hart's go-to gaming system – his PlayStation®4.

"As a professional athlete I understand what's needed to perform at the highest levels of competitive play, both on and off the court," said Josh Hart. "Turtle Beach headsets amplify my gaming with the best possible sound, and I'm thrilled to have a partner in my corner that's as passionate about gaming as I am."

Turtle Beach's Elite Pro 2 + SuperAmp Pro Performance Gaming Audio System includes the Elite Pro 2 competitive gaming headset that delivers pro-level audio performance, crystal-clear chat, and unmatched comfort, and the Elite SuperAmp which provides powerful amplified surround sound and a variety of features, and a new way for gamers to control their game audio by connecting via Bluetooth® to the **Turtle Beach Audio Hub** app on their mobile or tablet device.
