TURTLE BEACH'S BEST-SELLING STEALTH 600 & STEALTH 500 WIRELESS MULTIPLATFORM GAMING HEADSETS GET NEW COLORWAYS

2025-02-13

The Highly Acclaimed Stealth 600 for Xbox Gets the Royal Treatment in an All-New Deep Purple Colorway, While the Stealth 500 for Xbox or PlayStation Gets an Arctic Camo Option

White Plains, NY – February 13, 2025 – Leading gaming accessories maker **Turtle Beach Corporation** (Nasdaq: TBCH) today unveiled two new striking colorways for the latest Stealth™ 600 and Stealth™ 500 wireless headsets – two top-rated models in the brand's critically acclaimed wireless gaming headset range. Turtle Beach's \$99.99 MSRP Designed for Xbox **Stealth 600** is getting a new purple colorway, while the \$79.99 MSRP **Stealth 500** for Xbox or PlayStation® now comes in a cool arctic camo option.

The new Stealth 600 purple and Stealth 500 arctic camo colorways are available for pre-order today from **Turtle Beach** and will launch this spring. The Designed for Xbox Stealth 600 purple will be available exclusively at Target in the U.S., as well as at participating retailers globally. The Stealth 500 arctic camo for PlayStation will be available exclusively at Walmart in the U.S. and at participating retailers globally, while the Designed for Xbox Stealth 500 arctic camo will be available at participating retailers globally.

"We're happy to give gamers a wider range of colors for our best-selling Stealth 600 and Stealth 500 models," said

Cris Keirn, CEO, Turtle Beach Corporation. “Both are top-rated, award-winning wireless gaming headsets, and Turtle Beach’s Stealth 600 series has been the industry’s best-selling gaming headset model by revenue since the first generation was introduced in the U.S.⁽¹⁾”

Turtle Beach’s Stealth 600 and Stealth 500 were **recently named by IGN as best gaming headsets for 2025**. Additional details for each model are below.

Turtle Beach Stealth 600 Wireless Gaming Headset

The third generation Stealth 600 now features the brand’s signature 50mm Nanoclear™ drivers, an astounding 80-hour battery life, AI-driven microphone noise reduction, low-latency 2.4GHz and Bluetooth connectivity, and much more for the same \$99.99/£99.99/€109.99 MSRP that’s made it the industry’s leading wireless gaming headset. In addition to the new purple colorway, the Designed for Xbox version is also available in black or white. The Stealth 600 PlayStation version remains available in black or white, and the Stealth 600 PC version remains available in black only.

Turtle Beach Stealth 500 Wireless Gaming Headset

Turtle Beach’s Stealth 500 provides gamers with the brand’s signature high-quality gaming audio, plus low-latency 2.4GHz wireless and Bluetooth connectivity, an adjustable floating headband for lightweight comfort, and best-in-class 40-hour battery life for \$79.99/£79.99/€89.99 MSRP. Both the Designed for Xbox and PlayStation versions of the Stealth 500 come in the new arctic camo colorway, as well as in black. The Stealth 500 PC version remains available in black only.

Turtle Beach Corporation acquired Performance Designed Products LLC (www.pdp.com) in 2024. Turtle Beach’s shares are traded on the Nasdaq Exchange under the symbol: TBCH.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words “may,” “could,” “would,” “should,” “believe,” “expect,” “anticipate,” “plan,” “estimate,” “target,” “goal,” “project,” “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management’s current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in

our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
