

NEWS RELEASE

TURTLE BEACH'S STEALTH 600 PURPLE & STEALTH 500 ARCTIC CAMO WIRELESS MULTIPLATFORM GAMING HEADSETS NOW AVAILABLE

2025-03-03

White Plains, NY – March 3, 2025 – Leading gaming accessories maker **Turtle Beach Corporation** (Nasdaq: TBCH) today announced the latest Stealth™ 600 purple and Stealth™ 500 arctic camo wireless headset colorways are now available at participating retailers and on **Turtle Beach's website**. The Designed for Xbox **Stealth 600** purple is multiplatform compatible with other consoles, PC, and mobile devices and is available for \$99.99 MSRP. The Designed for Xbox and PlayStation® versions of the \$79.99 MSRP **Stealth 500** are also multiplatform compatible and now come in a cool arctic camo option.

The Designed for Xbox Stealth 600 purple is available exclusively at Target in the U.S., as well as at participating retailers globally. The Stealth 500 arctic camo for PlayStation is available exclusively at Walmart in the U.S. and at participating retailers globally, while the Stealth 500 arctic camo for Xbox is available at participating retailers globally.

"To date, we've sold approximately 6.2 million Stealth 600 headsets since the first generation launched in 2017, generating approximately \$575M in revenue to make it the industry's best-selling gaming headset series," said Cris Keirn, CEO, Turtle Beach Corporation. "We're excited to offer gamers this new deep royal purple colorway for the third-generation Stealth 600, along with the new arctic camo option for the more affordable Stealth 500 headset, to continue putting more momentum into these best-selling, award-winning products."

As per Circana⁽¹⁾, Turtle Beach's Stealth 600 Gen 3 for Xbox and Stealth 500 for Xbox launched in May 2024 were among the top 10 best-selling gaming headsets in 2024. Turtle Beach's Stealth 600 and Stealth 500 were also **recently named by IGN as best gaming headsets for 2025**. Additional details for each model are below.

Turtle Beach Stealth 600 Wireless Gaming Headset

The third generation Stealth 600 now features the brand's signature 50mm Nanoclear™ drivers, an astounding 80-hour battery life, AI-driven microphone noise reduction, low-latency 2.4GHz and Bluetooth connectivity, and much more for the same \$99.99/£99.99/€109.99 MSRP that's made it the industry's leading wireless gaming headset. In addition to the new purple colorway, the Designed for Xbox version is also available in black or white. The Stealth 600 PlayStation version remains available in black or white, and the Stealth 600 PC version remains available in black only.

Turtle Beach Stealth 500 Wireless Gaming Headset

Turtle Beach's Stealth 500 provides gamers with the brand's signature high-quality gaming audio, plus low-latency 2.4GHz wireless and Bluetooth connectivity, an adjustable floating headband for lightweight comfort, and best-in-class 40-hour battery life for \$79.99/£79.99/€89.99 MSRP. Both the Designed for Xbox and PlayStation versions of the Stealth 500 come in the new arctic camo colorway, as well as in black. The Stealth 500 PC version remains available in black only.

[About Turtle Beach Corporation](#)

Turtle Beach Corporation (the "Company") (www.turtlebeachcorp.com) is one of the world's leading gaming accessory providers. The Company's namesake Turtle Beach brand (www.turtlebeach.com) is known for designing

best-selling gaming headsets, top-rated game controllers, award-winning PC gaming peripherals, and groundbreaking gaming simulation accessories. Innovation, first-to-market features, a broad range of products for all types of gamers, and **top-rated customer support** have made Turtle Beach a fan-favorite brand and the market leader in console gaming audio for over a decade. Turtle Beach Corporation acquired Performance Designed Products LLC (www.pdp.com) in 2024. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: TBCH.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may," "could," "would," "should," "believe," "expect," "anticipate," "plan," "estimate," "target," "goal," "project," "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements are only predictions and are not guarantees of performance. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. The inclusion of such information should not be regarded as a representation by the Company, or any person, that the objectives of the Company will be achieved. Forward-looking statements are based on management's current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges and costs, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business, including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules

and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
