“Awards out of the gate and product selling out on www.turtlebeach.com, twice, certainly punctuates Turtle Beach’s impressive entry into the flight simulation hardware market,” said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. “The extremely high excitement and demand for VelocityOne Flight shows that we’ve delivered the flight control system enthusiasts want. The integrated yoke, throttle quadrant, trim wheel, and extensive controls provide a comprehensive control system for experienced flight sim

users, as well as plug-and-play ease for new enthusiasts.”

VelocityOne Flight was developed in collaboration with aeronautical engineers and pilots and by a dedicated Turtle Beach team with over two decades of experience creating many premier flight and racing simulation controllers. VelocityOne Flight delivers an immersive, authentic, and modern Xbox and PC flying experience, and is the perfect all-in-one flight controller system for experiencing Microsoft Flight Simulator 2020 on Xbox Series X|S. Pilots and flight sim enthusiasts can order VelocityOne Flight from www.turtlebeach.com and participating retailers worldwide. Initial quantities are still limited, so order your VelocityOne Flight today.

VelocityOne Flight offers intuitive and realistic controls and equips users across all experience levels with an all-inclusive system to experience the thrill of flight. A true-to-life 180° yoke handle with built-in rudder controls at your fingertips provide precise control of any aircraft. The included modular throttle quadrant with integrated trim wheel, both lever and vernier controls, and swappable lever handles offers at-home aviators enhanced customization and a realistic flight experience for both light and heavy aircraft. A simple USB connection offers users an easy setup process whether playing on an Xbox console or Windows. VelocityOne Flight is available now for a MSRP of \$379.95.
