"Team WaR has been a great partner for Turtle Beach and represents all that we strive to deliver in our products – precision, dedication, skilled

strategists, and commitment to success," said Ryan Dell, SVP of Global Marketing at Turtle Beach. "It's exciting to be a part of the team's growth and it is all-the-more inspiring when working with athletes that have high talent and high character. Team WaR embodies who we want to work with, and we're pleased to continue to have them as a part of the Turtle Beach family."

Team WaR started competing in 2017. The team quickly climbed to prominence by upsetting top teams at CoD Champs 2019 and became the most dominant team in the Challengers Division in 2020 – winning 12 out of 18 tournaments in that season alone. They cemented their ascendancy when they won the inaugural Challengers Division Championship in 2020. Led by Kevin Pichardo, CEO, the team’s ultimate goal is to win a record number of championships for their fans, all while having fun in the process.

“Turtle Beach makes us a better team, and their gear, along with their genuine support, have been integral to our performance,” said Kevin Pichardo. “We are honored to continue and expand our partnership, and we are excited to reach even higher levels with Turtle Beach at our side in all of our upcoming competitions.”

In 2021’s CDL Challengers Division, Team WaR dominates on the digital battlefields with Angel “envdiaN” Miranda, Alejandro “Lucky7” Lopez Moreno, Juan Antonio “JurNiii” Gonzales Munos, and Adrian “MeTTaZz” Serrano Martinez.
