"Competing at the highest levels is in our brand DNA, so it's a privilege for us to partner with athletes like Immanuel. Working

together, we want to motivate and inspire our collective fans who enjoy good competition, both on and off the court," said Ryan Dell, SVP, Global Marketing at Turtle Beach. "We're honored to have him join the Turtle Beach family and are looking forward to working with him on powerful content as he continues building his NBA career."

Immanuel Quickley entered the 2020 NBA Draft and was selected 25th overall by the New York Knicks. An instant fan-favorite, he recently completed a stellar rookie season that saw him named to the NBA All-Rookie Second Team. Before joining the NBA, Quickley dominated the SEC at the University of Kentucky, where he was named SEC Player of the Year and All-SEC First Team in his two years at the school. When Immanuel is not on the court, he is honing his hoops skills on PS5™, earning bragging rights over his friends and teammates for his NBA 2K ability.

Through this partnership with Turtle Beach, Quickley is elevating his gaming with the highly-acclaimed **Elite Pro 2 + SuperAmp Pro Performance Gaming Audio System** – the Company’s premier competitive gaming audio setup for Xbox and PlayStation consoles. Turtle Beach’s extended strategic partnership with Roc Nation and Roc Nation Sports helped facilitate this sponsorship.

Turtle Beach’s Elite Pro 2 + SuperAmp Pro Performance Gaming Audio System includes the Elite Pro 2 competitive gaming headset that delivers pro-level audio performance, crystal-clear chat, and unmatched comfort. The Elite SuperAmp provides powerful amplified surround sound and a variety of additional features. Gamers can control their game audio by connecting via Bluetooth® to the **Turtle Beach Audio Hub** app on their mobile or tablet device.

Named a best wireless gaming headset by **IGN**, Turtle Beach’s Stealth 700 Gen 2 has been tuned and refined to deliver detailed and precise sound. A large, high-sensitivity flip-to-mute mic enhances chat clarity and seamlessly conceals into the earcup when muted. Aerofit™ cooling gel-infused memory foam ear cushions surround 50mm Nanoclear™ speakers, and a redesigned metal-reinforced headband provides long-lasting comfort and durability. Battery life has been upgraded significantly from Gen 1 with a 20-hour lifespan. Gamers can also use Bluetooth to connect to the Turtle Beach Audio Hub app to easily customize their audio and program the headset’s remappable dial and button, as well as to simultaneously listen to music or take mobile calls while gaming.
