Turtle Beach's Award-Winning Recon Controller for Xbox Now Available at Retail

2021-08-02

Winner of Multiple "Best of E3" Awards, Turtle Beach's New Xbox Controller Combines Game-Changing Controls with the Best-Selling Brand's Game-Winning Audio Technologies

WHITE PLAINS, N.Y.-(BUSINESS WIRE)-Aug. 2, 2021- Leading gaming accessory maker **Turtle Beach Corporation** (Nasdaq: HEAR), today announced that gamers on Xbox can now get their hands on the award-winning **Recon™ Controller**. Turtle Beach's all-new Designed for Xbox RECON Controller was proudly designated with "Best of E3" awards from **CNN Underscored** and **Android Authority** because it is the first controller to blend responsive and precise controls with Turtle Beach's signature audio technologies, including Superhuman Hearing®, Mic Monitoring, Signature Audio Presets, and more. This combination of powerful, innovative controls and integrated audio heightens gamers' senses and elevates gameplay experiences when playing on Xbox and compatible Windows 10 PCs. Turtle Beach's RECON Controller for Xbox comes in black or white for a MSRP of \$59.95, and is available for purchase today at participating retailers worldwide and from www.turtlebeach.com.

The Turtle Beach Recon Controller for Xbox combines game-changing controls with game-winning audio. Compatible with Xbox Series X|S, Xbox One, and Windows 10 PCs, the Recon Controller offers gamers a variety of Turtle Beach's exclusive gaming audio technologies, including Superhuman Hearing, Audio Presets, and more. Available now at participating retailers worldwide for a MSRP of \$59.95. (Photo: Business Wire)

"With millions of headsets being worn by gamers on Xbox, the Recon Controller is the best complementary accessory because it provides access to Turtle Beach's exclusive audio

technologies to any wired headset," said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. "The RECON

Controller was designed with the same industry expertise that has made Turtle Beach the best-selling gaming headset maker for over a decade, and its unparalleled features and design will help it make a striking entrance into the console controller market. I'm proud of how the Turtle Beach team has once again delivered an amazing product, and I'm excited to have Xbox gamers get the Recon Controller in their hands."

Designed for Xbox, the all-new Recon Controller is the first controller to pair Turtle Beach's signature audio innovations with game-winning controls. Gamers on Xbox Series X|S, Xbox One, and compatible Windows 10 PCs will be able to plug in any wired headset with a standard 3.5mm audio interface and take advantage of proven Turtle Beach features, including Superhuman Hearing, Mic Monitoring, Signature Audio Presets, and more. Additionally, Pro-Aim™ Focus Mode lets gamers tune the thumbstick sensitivity for enhanced long-range accuracy, while up to four profiles can be saved on each of the mappable rear quick-action buttons. Feel the recoil of gunshots and the purr of vehicle engines through next-gen vibration feedback from dual-rumble motors in the handles and triggers. The Recon Controller lets gamers play longer and stay cooler thanks to its ergonomic shape and cooling rubber grips. The Recon Controller is the perfect companion for any wired gaming headset, like Turtle Beach's all-new **Recon 500** and best-selling **Recon 70** series headsets.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about

future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “goal”, “project”, “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company’s liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
