Turtle Beach's Award-Winning Recon Controller for Xbox Now Available for Pre-Order

2021-07-13

Winner of Multiple "Best of E3" Awards, Turtle Beach's New Xbox Controller Combines Game-Changing Controls with the Best-Selling Brand's Game-Winning Audio Technologies

WHITE PLAINS, N.Y.-(BUSINESS WIRE)-Jul. 13, 2021- Leading gaming accessory maker **Turtle Beach Corporation** (Nasdaq: HEAR) today announced its award-winning **Recon™ Controller** is now available for pre-order. Unveiled at E3 2021, the Designed for Xbox Recon Controller was proudly designated with "Best of E3" awards from **CNN Underscored** and **Android Authority** for blending game-changing controls with Turtle Beach's signature audio technologies. This first-to-market combination of powerful integrated audio and innovative controls elevates gamers' senses and gameplay experiences when playing on Xbox and Windows 10 PCs. Turtle Beach's RECON Controller comes in black or white for a MSRP of \$59.95 and launches worldwide on August 1, 2021. Reserve your Recon Controller today by pre-ordering from www.turtlebeach.com and participating retailers.

The Recon Controller offers gamers on Xbox Turtle Beach's exclusive audio technologies, including Superhuman Hearing which provides a competitive advantage by improving key in-game sounds like approaching enemy footsteps, nearby weapon reloads, and more. Reserve your Recon Controller today by pre-ordering from www.turtlebeach.com or participating retailers. MSRP \$59.95 (Photo: Business Wire)

"The Recon Controller's unique features and powerful audio make it the perfect companion to the millions of Turtle Beach headsets gamers on Xbox are already using," said

Juergen Stark, Chairman and CEO, Turtle Beach Corporation. "The current global gamepad accessory market for third party controllers generates \$600 million in annual sales and is growing rapidly. The Recon Controller's

unmatched features and design gives Turtle Beach a powerful entrance into the gamepad market, bolstered by the same industry expertise that's made us the best-selling gaming headset maker for the past decade plus. The team has delivered an amazing product with the Recon Controller and I can't wait to get this in the hands of Xbox gamers."

Designed for Xbox, the all-new Recon Controller is the first controller to pair Turtle Beach's signature audio innovations with game-winning controls. Gamers on Xbox Series X|S, Xbox One, and compatible Windows 10 PCs will be able to plug in any wired headset with a standard 3.5mm audio interface and take advantage of proven Turtle Beach features, including Superhuman Hearing[®], Mic Monitoring, Signature Audio Presets, and more. Additionally, Pro-Aim™ Focus Mode lets gamers tune the thumbstick sensitivity for enhanced long-range accuracy, while up to four profiles can be saved on each of the mappable rear quick-action buttons. Feel the recoil of gunshots and the purr of vehicle engines through next-gen vibration feedback from dual-rumble motors in the handles and triggers. The Recon Controller lets gamers play longer and stay cooler thanks to its ergonomic shape and cooling rubber grips. The Recon Controller is the perfect companion for any wired gaming headset, like Turtle Beach's all-new **Recon 500** and best-selling **Recon 70** series headsets.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about

future events. Statements containing the words “may”, “could”, “would”, “should”, “believe”, “expect”, “anticipate”, “plan”, “estimate”, “target”, “goal”, “project”, “intend” and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management’s current belief and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, the Company’s liquidity, and other factors discussed in our public filings, including the risk factors included in the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company’s other periodic reports. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
