Turtle Beach's Award-Winning Stealth 700 Gen 2 MAX Premium Wireless Gaming Headset for PlayStation is Now Available (Graphic: Business Wire)

Earlier this year Turtle Beach launched the Xbox version of the Stealth 700 Gen 2 MAX and

it immediately picked up where its predecessors had left off. IGN called the new MAX model, "Amazing" and gave it

a 9/10 review score plus the publication's Editors' Choice designation, naming it the "Best Wireless Xbox Headset" in their Best Gaming Headsets 2022 list, as well as a "Best High-End Gaming Headset." Additionally, **CG Mag** gave the Stealth 700 Gen 2 MAX for Xbox a 9.5/10 review score plus their Editor's Choice designation as well, saying, "The Turtle Beach Stealth 700 Gen 2 MAX headset is the contender to beat for best headset 2022."

"Combined with the award-winning suite of features our 700 series headsets offer, Stealth 700 Gen 2 MAX's multiplatform compatibility and exceptional battery life make it very attractive for PlayStation gamers looking for premium sound and comfort," said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. "Our Xbox MAX models launched earlier this year to high critical and consumer acclaim. Now, gamers on PS5 and PS4 can experience the powerful 3D gaming audio, unmatched comfort, and Turtle Beach-exclusive audio technologies like Superhuman Hearing® that make our Stealth 700 headsets a top-selling premium choice for serious gamers."

Turtle Beach's Stealth 700 Gen 2 MAX for PlayStation delivers a premium audio experience on more systems¹. With the toggle of a switch on the wireless USB transmitter, gamers can use their headset with PS5 and PS4, Nintendo Switch, Windows PCs and Mac and experience the immersive 3D spatial surround sound², premium features and class-leading comfort the Stealth 700 series is known for. Turtle Beach's large 50mm Nanoclear™ speakers deliver powerful and immersive game sound while the 700 MAX's high-sensitivity flip-to-mute mic provides a crystal-clear chat experience. Aerofit™ cooling gel-infused memory foam cushions feature Turtle Beach's patented ProSpecs™ glasses-friendly technology, ensuring a comfortable fit for hours with or without glasses.

Bluetooth plus Turtle Beach's longstanding dual wireless functionality means gamers can also chat on Discord, take calls, and listen to music simultaneously while gaming. Bluetooth also makes the Stealth 700 Gen 2 MAX great for mobile gaming on compatible iOS and Android devices, as well as for connecting to the headset's mobile companion app where they'll be able to enable Superhuman Hearing and adjust audio presets, Mic Monitoring, and other settings to their preference.

About Turtle Beach Corporation

Turtle Beach Corporation (corp.turtlebeach.com) is one of the world's leading gaming accessory providers. The Company's namesake Turtle Beach brand (www.turtlebeach.com) is known for designing high-quality, comfort-driven headsets for all gamers. Innovation, first-to-market features, a broad range of products for every type of gamer, and top-rated customer support have made Turtle Beach a fan-favorite brand and the market leader in console gaming audio for over a decade. In 2021, Turtle Beach expanded the best-selling brand beyond headsets

and successfully launched the first of its groundbreaking game controllers and gaming simulation accessories. Turtle Beach's ROCCAT brand (www.roccat.com) combines detail-loving German innovation with a genuine passion for designing the best PC gaming products, including award-winning keyboards, mice, headsets, mousepads, and other PC accessories. Turtle Beach's Neat Microphones brand (www.neatmic.com) creates high-quality USB and analog microphones for gamers, streamers, professionals and students that embrace cutting-edge technology and design. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: **HEAR**.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "goal", "project", "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to, logistic and supply chain challenges, the substantial uncertainties inherent in the acceptance of existing and future products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
