

NEWS RELEASE

Turtle Beach's Hyper-Portable Atom Controller Is a Unique Two-Piece Mobile Controller With Perfect Grips – Now Available

2022-11-14

WHITE PLAINS, N.Y.-(BUSINESS WIRE)-Nov. 14, 2022- Best-selling gaming headset and leading gaming accessory maker **Turtle Beach Corporation** (Nasdaq: HEAR) today announced the launch of the **Turtle Beach® Atom™ Controller**, the brand's new hyper-portable mobile gaming controller. The Atom Controller is an easily packable and portable mobile gaming controller with a unique design. The Atom's two ergonomic grip modules fit nearly every size Android 8.0+ smartphone, and adjustable spring-loaded clamps ensure there is no need to remove phone cases. The two Atom modules stay connected wirelessly to perform as a single unit when gaming using Turtle Beach's proprietary 2.4GHz wireless link, while low-latency Bluetooth® guarantees a lag-free connection with Android smartphones when cloud gaming on Xbox Game Pass, GeForce Now, Steam Link, and more. When it's time to stow-and-go, the two Atom modules magnetically connect to easily fit in a pocket or in its included carrying case.

An exclusive Designed for Xbox **Atom Controller** is available in **Black and Yellow** and

features the Xbox Guide button plus a complimentary 1-month subscription to Xbox Game Pass Ultimate*. The Atom Controller also comes in **Black and Teal** and **Red** versions, and all three colorways are available today at www.turtlebeach.com and participating retailers worldwide for \$99.99 MSRP.

“Mobile gaming is an increasingly larger share of overall gaming, and our Atom Controller lets mobile gamers enjoy their favorite games with grips that feel great in their hands, and it’s easy to pack and go,” said Juergen Stark, Chairman and CEO, Turtle Beach Corporation. “We’re driven by the continued great reception to our growing controller portfolio, which pushes us to create additional products that stand out and deliver an advantage. Beyond its unique packable design, the AtOM’s ergonomic grips are thicker and more robust than what’s currently on the market, providing extended comfort while gaming and an overall great feeling in-hand so you can focus on winning.”

The Atom Controller brings the familiar console-style controller feel to mobile gamers, and the ergonomic handles keep hands relaxed and comfortable for hours. A reliable 20-hour battery charges up in just over two hours, and the upcoming Atom Controller companion app will let gamers configure additional features and search for new games.

The complete list of Atom Controller features includes:

- Complimentary Xbox Game Pass Ultimate*: Includes a 1-month free subscription to Xbox Game Pass Ultimate, giving players access to an expansive library of games that work perfectly with the Atom Controller. *Complimentary subscription to Xbox Game Pass Ultimate is only available with the Designed for Xbox Atom Controller in Black and Yellow.
- Compact & Comfortable: Magnetically connects into a compact, convenient shape to fit in a pocket, or in its included carrying bag. Plus, an ergonomic handle shape and console-style controls provide a familiar console experience for mobile.
- Low-Latency Connectivity: Connects lag-free to Android 8.0+ phones via low-latency Bluetooth, while the two independent modules connect to each other using Turtle Beach’s proprietary 2.4 GHz wireless link.
- Built for Cloud Gaming: Take the console experience on-the-go and play familiar mobile games on the cloud using Xbox Game Pass, GeForce Now Steam Link, and more.
- Console Level Controls: Equipped with full-size thumb sticks, a D-Pad, bumpers, triggers, and ABXY buttons, plus view and menu buttons for precise responsive controls on any cloud streaming title. The Designed for Xbox version also has an Xbox Guide button.
- Adjustable Phone Clamps: A unique two-piece controller design has integrated phone clamps with a depth range of 67-92 mm, snugly fitting any size Android smartphone while in its case.
- More Gaming, Less Charging: Each controller module is powered by its own battery, providing 20-hours total battery life on a single charge. Recharge in just 2.5 hours using the supplied USB-C cable.
- Ergonomic Design: A comfortable shape with familiar console controls keeps hands comfortable over long gaming sessions.
- Atom Companion App: Download the upcoming Atom Controller companion app from the Play Store to

configure additional features, discover new games to play, and update firmware.

About Turtle Beach Corporation

Turtle Beach Corporation (www.turtlebeachcorp.com) is one of the world's leading gaming accessory providers. The Company's namesake Turtle Beach brand (www.turtlebeach.com) is known for designing high-quality, comfort-driven headsets for all gamers. Innovation, first-to-market features, a broad range of products for every type of gamer, and top-rated customer support have made Turtle Beach a fan-favorite brand and the market leader in console gaming audio for over a decade. In 2021, Turtle Beach expanded the best-selling brand beyond headsets and successfully launched the first of its groundbreaking game controllers and gaming simulation accessories. Turtle Beach's ROCCAT brand (www.roccat.com) combines detail-loving German innovation with a genuine passion for designing the best PC gaming products, including award-winning keyboards, mice, headsets, mousepads, and other PC accessories. Turtle Beach's Neat Microphones brand (www.neatmic.com) creates high-quality USB and analog microphones for gamers, streamers, professionals and students that embrace cutting-edge technology and design. Turtle Beach's shares are traded on the Nasdaq Exchange under the symbol: **HEAR**.

Cautionary Note on Forward-Looking Statements

This press release includes forward-looking information and statements within the meaning of the federal securities laws. Except for historical information contained in this release, statements in this release may constitute forward-looking statements regarding assumptions, projections, expectations, targets, intentions or beliefs about future events. Statements containing the words "may", "could", "would", "should", "believe", "expect", "anticipate", "plan", "estimate", "target", "goal", "project", "intend" and similar expressions, or the negatives thereof, constitute forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. Forward-looking statements are based on management's current beliefs and expectations, as well as assumptions made by, and information currently available to, management.

While the Company believes that its expectations are based upon reasonable assumptions, there can be no assurances that its goals and strategy will be realized. Numerous factors, including risks and uncertainties, may affect actual results and may cause results to differ materially from those expressed in forward-looking statements made by the Company or on its behalf. Some of these factors include, but are not limited to, risks related to logistic and supply chain challenges, the substantial uncertainties inherent in the acceptance of existing and future

products, the difficulty of commercializing and protecting new technology, the impact of competitive products and pricing, general business and economic conditions, risks associated with the expansion of our business including the integration of any businesses we acquire and the integration of such businesses within our internal control over financial reporting and operations, our indebtedness, liquidity, and other factors discussed in our public filings, including the risk factors included in the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the Company's other periodic reports filed with the Securities and Exchange Commission. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company is under no obligation to publicly update or revise any forward-looking statement after the date of this release whether as a result of new information, future developments or otherwise.
