Consolidated Water Plans 2-For-1 Stock Split

Action Is Consistent With Company'S Long-Term Strategy To Enhance Shareholder Value

GEORGE TOWN, Grand Cayman, Cayman Islands (June 7, 2005) -- Consolidated Water Co. Ltd. (NASDAQ National Market: "CWCO"), which develops and operates seawater conversion plants and water distribution systems in areas where natural supplies of drinking (i.e., potable) water are scarce, today announced that its Board of Directors has voted to recommend that shareholders approve a 2-for-1 stock split at the Company's upcoming Annual Meeting on August 17, 2005, as long as current market conditions for the Company's ordinary shares continue through to the Annual Meeting.

"The 2-for-1 stock split, along with our policy of increasing our cash dividends as earnings grow, illustrates a strong commitment by management and the Board of Directors towards the long-term enhancement of shareholder value," stated Mr. Jeffrey Parker, Chairman of Consolidated Water Co. Ltd. "We also believe the expansion in public 'float' that will result from a stock split will improve liquidity in the market and further broaden the appeal of CWCO shares to institutional investors."

Consolidated Water Co. Ltd. is engaged in the development and operation of seawater conversion plants and/or water distribution systems in areas of the world where naturally occurring supplies of potable water are scarce or nonexistent. The Company currently operates water production and/or distribution facilities in the Cayman Islands, the British Virgin Islands, Barbados, Belize and the Commonwealth of the Bahamas.

The common stock of Consolidated Water Co. Ltd. is traded on the NASDAQ National Market under the symbol "CWCO". Additional information on the Company is available on its website at http://www.cwco.com.

This press release includes statements that may constitute "forward-looking" statements, usually containing the words "believe", "estimate", "project", "intend", "expect" or similar expressions. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance of the Company's products and services in the marketplace, changes in its relationship with the Governments of the jurisdictions in which it operates, the ability to successfully secure contracts for water projects in other countries, the ability to develop and operate such projects profitably, the Company's ability to manage growth and other risks detailed in the Company's periodic report filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release.
