Consolidated Water Declares Second Quarter Dividend Of $0.12 Per Share

5Th Increase In Quarterly Cash Dividend In Past 6 Years

GEORGE TOWN, Grand Cayman, Cayman Islands (June 6, 2005) -- Consolidated Water Co. Ltd. (NASDAQ National Market: "CWCO"), which develops and operates seawater conversion plants and water distribution systems in areas where natural supplies of drinking (i.e., potable) water are scarce, today announced that its Board of Directors has declared a quarterly cash dividend of $0.12 per share. This represents a 4.3% increase in cash dividend when compared with the $0.115 dividend declared in the first quarter of 2005.

The dividend is payable July 31, 2005, to shareholders of record at the close of business June 30, 2005.

"We are pleased to announce the 5th increase in our cash dividend payout since the Company began paying quarterly dividends in June 1999," stated Mr. Jeffrey Parker, Chairman of Consolidated Water Co. Ltd. "The Company has paid cash dividends to shareholders every year since 1985, and the annual rate of dividend payment has never been reduced during this 20-year period."

Consolidated Water Co. Ltd. is engaged in the development and operation of seawater conversion plants and/or water distribution systems in areas of the world where naturally occurring supplies of potable water are scarce or nonexistent.
