

Affiliate of Consolidated Water Co. Ltd. Adopts 10b5-1 Stock Trading Plan

GEORGE TOWN, Grand Cayman, Sept 21, 2007 /PRNewswire-FirstCall via COMTEX News Network/ --

Consolidated Water Co. Ltd. (Nasdaq: CWCO) today announced that it has been advised that RFD Holdings Ltd., an investment vehicle controlled by Jeffrey M. Parker, the Company's Chairman of the Board, has established a stock trading plan intended to qualify for the safe harbor under Rule 10b5-1 under the Securities Exchange Act of 1934 (the "Plan").

Under the Plan, RFD may sell up to 50,000 ordinary shares at the rate of 2,000 shares per week at not less than $30 per share. If the entire 2,000 shares are not sold in any given week, the shortfall can be sold as soon as practicable during the immediately succeeding weeks. The Plan is expected to be in effect for one year, commencing September 24, 2007.

Transactions under the Plan will commence no earlier than September 24, 2007 and will be disclosed publicly through Form 144 filings with the Securities and Exchange Commission.

Rule 10b5-1 allows insiders to enter into a written, pre-arranged stock trading plan at a time when an insider is not in possession of material, non-public information. Under these plans, insiders can gradually diversify their investment portfolios, reduce any significant market impact by spreading stock trades over an extended period of time, and avoid concerns as to whether the insiders were in possession of material, non-public information when the stock was sold.
