bridgebio pharma announces pricing of public offering of common stock

2024-03-05

PALO ALTO, Calif., March 05, 2024 (GLOBE NEWSWIRE) -- BridgeBio Pharma, Inc. (Nasdaq: BBIO) ("BridgeBio"), a commercial-stage biopharmaceutical company focused on genetic diseases and cancers, today announced the pricing on March 5, 2024 of an underwritten public offering of 8,620,690 shares of its common stock at a public offering price of \$29.00 per share, before deducting underwriting discounts and commissions. In addition, BridgeBio has granted the underwriters a 30-day option to purchase up to an additional 1,293,103 shares of its common stock on the same terms and conditions. The gross proceeds from the offering, before deducting underwriting discounts and commissions and offering expenses, are expected to be approximately \$250.0 million, excluding any exercise of the underwriters' option to purchase additional shares. All of the shares in the offering to be sold by BridgeBio.

J.P. Morgan, Cantor and Mizuho are acting as joint book-running managers for the offering. Raymond James is acting as lead manager. The offering is expected to close on or about March 8, 2024, subject to the satisfaction of customary closing conditions.

The shares of common stock are being offered by BridgeBio pursuant to an effective shelf registration statement on Form S-3ASR (File No. 333-271650) that was previously filed with the U.S. Securities and Exchange Commission (SEC) on May 4, 2023 and automatically became effective upon filing. A preliminary prospectus supplement and accompanying prospectus relating to and describing the terms of the offering was filed with the SEC on March 4, 2024. The final prospectus supplement and accompanying prospectus relating to the offering will be filed with the SEC and may be obtained, when available, from J.P.
