bridgebio pharma reports inducement grants under nasdaq listing rule 5635(c)(4)

2019-12-05

PALO ALTO, Calif., Dec. 05, 2019 (GLOBE NEWSWIRE) -- BridgeBio Pharma, Inc. (Nasdaq: BBIO), a clinical-stage biopharmaceutical company focused on genetic diseases, today announced that on November 22, 2019, the compensation committee of BridgeBio's board of directors granted eight new employees options to purchase an aggregate of 62,745 shares of the Company's common stock with a per share exercise price of \$31.14 and restricted stock units for an aggregate of 23,980 shares of the Company's common stock. All of the above-described awards were made under BridgeBio's 2019 Inducement Equity Plan (the Plan).

The above-described awards were each granted as an inducement material to the employees entering into employment with the Company in accordance with Nasdaq Listing Rule 5635(c)(4), and were granted pursuant to the terms of the Plan. The Plan was adopted by BridgeBio's board of directors in November 2019.

About BridgeBio

BridgeBio is a team of experienced drug discoverers, developers and innovators working to create life-altering medicines that target well-characterized genetic diseases at their source. BridgeBio was founded in 2015 to identify and advance transformative medicines to treat patients who suffer from Mendelian diseases, which are diseases that arise from defects in a single gene, and cancers with clear genetic drivers. BridgeBio's pipeline of over 15 development programs includes product candidates ranging from early discovery to late-stage development.
