

TiC Solutions Announces Participation in Upcoming Investor Conferences

2026-05-26

HOLLYWOOD, Fla.--(BUSINESS WIRE)-- TiC Solutions, Inc. (NYSE: TIC) (the “Company” or “TiC Solutions”), a leading provider of tech-enabled asset integrity, engineering, and geospatial services, announced today that its senior leadership will participate in the following upcoming investor conferences:

- Baird’s 2026 Global Consumer, Technology & Services Conference on Wednesday, June 3, 2026, in New York, NY.
- 16th Annual ROTH London Conference on Wednesday, June 17, 2026, and Thursday, June 18, 2026, in London, UK.
- CJS Securities 26th Annual “New Ideas” Summer Conference on Thursday, July 9, 2026, in White Plains, NY.

About TiC Solutions:

TiC Solutions is a leading provider of tech-enabled asset integrity, engineering, and geospatial services. The Company delivers mission-critical services that support the safety, reliability, and efficiency of industrial assets, buildings, and public infrastructure. Operating across North America and select international markets, TiC Solutions serves private- and public-sector clients across industrial, infrastructure, energy, utilities, construction, and commercial real estate end markets, and federal, state, and local agencies, with exposure to data centers and other high-growth industries.

TiC Solutions supports clients across the full asset lifecycle, from planning and design to commissioning and compliance, through three reportable segments: Inspection and Mitigation; Consulting Engineering; and Geospatial, providing asset integrity services, engineering and advisory solutions, and data-driven asset intelligence capabilities. The Company’s services are frequently compliance-driven and typically recurring in nature, delivered by more than

12,000 professionals across over 250 locations.
