## About FrontView REIT, Inc.

FrontView is an internally managed net-lease real estate investment trust (“REIT”) focused on acquiring, owning, and managing properties with frontage that are leased to a diversified tenant base. Our real estate-first investment strategy is centered around highly visible properties in prominent retail corridors with strong underlying real estate fundamentals. We target properties along high-traffic roads that offer strong consumer visibility and adaptable

building formats capable of supporting various businesses over time.

As of December 31, 2025, FrontView owned a diversified portfolio of 303 direct-frontage properties across 37 U.S. states, leased primarily to service and necessity based tenants across 16 industries, including medical and dental providers, quick-service and casual dining restaurants, financial institutions, cellular retailers, automotive related, fitness, and general retail along with several other diversified industries.

## Forward-Looking Statements

This press release contains "forward-looking" statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding, among other things, our plans, strategies, and prospects, both business and financial. Such forward-looking statements can generally be identified by our use of forward-looking terminology such as "outlook," "potential," "may," "will," "should," "could," "seeks," "approximately," "projects," "predicts," "expect," "intends," "anticipates," "estimates," "plans," "would be," "believes," "continues," or the negative version of these words or other comparable words.

Forward-looking statements, including our 2026 guidance and assumptions, involve known and unknown risks and uncertainties, which may cause FVR's actual future results to differ materially from expected results, including, without limitation, risks and uncertainties related to general economic conditions, including but not limited to increases in the rate of inflation and/or interest rates, local real estate conditions, tenant financial health, property investments and acquisitions, and the timing and uncertainty of completing these property investments and acquisitions, and uncertainties regarding future distributions to our stockholders. These and other risks, assumptions, and uncertainties are described in Item 1A. "Risk Factors" of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2025, which was filed with the Securities and Exchange Commission ("SEC") on February 25, 2026, which you are encouraged to read, and is available on the SEC's website at [www.sec.gov](http://www.sec.gov). Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by such forward-looking statements.

Accordingly, you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they are made. The Company assumes no obligation to, and does not currently intend to, update any forward-looking statements after the date of this press release, whether as a result of new information, future events, changes in assumptions, or otherwise.
