Modine Innovation Tour Headed to Albany, N.Y.

Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Saratoga Springs on August 29

RACINE, Wis., Aug. 24, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Saratoga Springs, New York, just north of Albany, on August 29 at the Saratoga Casino Hotel, from 10:30 a.m. to 6 p.m., for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products and educational courses in the HVAC industry, including solutions in residential geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"Albany marks the 37th stop on our North American tour," said Kimberly Raduenz, marketing communications manager for Modine. "And it's our first stop in New York. Historically, Albany was one of the first cities in the world to install electrical infrastructure, and as a center for higher education and high-technology, there's no shortage of businesses who are interested in using the most advanced and efficient HVAC solutions available."

In addition to the product showcase, continuing education will be provided at the event for NATE/CEU credits with the following courses:

- | Basics of Make-up Air (CEU)
- | Gas Fired Heating for Commercial Equipment (CEU)
- | Sizing Water Source Heat Pumps (NATE/CEU)

"We want this to be more than just a product focused event," said Raduenz. "We understand the importance of continuing education, and a part of offering HVAC solutions is also educating engineers and contractors on what new technologies are available and how to best serve customers in their specific region."

The Saratoga Casino Hotel, where the event will take place, is located at 342 Jefferson Street, Saratoga Springs, NY 12866. To see the complete agenda and register for the Albany, New York event, visit <http://www.modineinnovationtour.com/tour-detail/ny/albany>.
