Modine Innovation Tour Travels To Greater Boston Area

Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Randolph on September 1-2, Woburn on September 7

RACINE, Wis., Aug. 26, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, will be in Randolph, Massachusetts, at Emerson Swan on Thursday, September 1 from 9 a.m. to 4 p.m., and Friday, September 2 from 8:30 a.m. to 1 p.m.; and Woburn, Massachusetts, at F.W. Webb on Wednesday, September 7 from 10 a.m. to 6 p.m., for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"We want to offer as many engineers and contractors in the greater Boston area a chance to see what the future of HVAC technology holds and how they can apply it to better serve their customers," said Kimberly Raduenz, marketing communications manager for Modine. "With two stops in three days we're hoping to have a great turnout from engineers and contractors from around the greater Boston area."

In addition to the product showcase, continuing education will be provided at the event for NATE/CEU credits with the following courses:

Thursday, September 1 - Randolph

- | Dedicated Outdoor Air Systems Basics (CEU)
- | Venting of Unit Heaters (NATE/CEU)
- | Gas Fired Heating for Commercial Equipment (CEU)

Friday, September 2 - Randolph

- | Venting of Unit Heaters (NATE/CEU)
- | Dedicated Outdoor Air System Basics (CEU)

Wednesday, September 7 - Woburn

- | Basics of Make-up Air (CEU)
- | Gas Fired Heating for Commercial Equipment (CEU)
- | Sizing Water Source Heat Pumps (NATE/CEU)

"There's a lot of opportunity for continued learning at this event," said Raduenz. "It's important that we not only showcase the latest in HVAC technology but also give engineers and contractors hands-on experience. That's really the main focus of the innovation tour; when they can get their hands on it and really understand how it works, that's when that knowledge translates into better service for their customers."

Emerson Swan is located at 300 Pond Street, Randolph, MA 02368, off Interstate 93 and about four miles from the Braintree Station on The T. To see the complete agenda and register for the Randolph, Massachusetts event September 1-2, visit
