## Modine Innovation Tour Heads to Cleveland

### Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Valley View on October 13

RACINE, Wis., Sept. 29, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Valley View, Ohio, just south of Cleveland, on Thursday, October 13 from 10 a.m. to 4 p.m., at Refrigeration Sales Corporation, for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in residential geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"Ohio, and Cleveland especially, is becoming a great place for companies to invest in brick and mortar," said Kimberly Raduenz, marketing communications manager for Modine. "Manufacturing has become a booming sector, and we want to be sure that engineers and contractors in the area understand the latest HVAC technology available to them."

In addition to the product showcase, continuing education will be provided at the event for CEU credits with the following courses:

- | Dedicated Outdoor Air Systems Basics
- | Sound Principles of HVAC Equipment
- | Basics of Make-up Air

"Our goal with this tour is to not only showcase the latest HVAC technology but to also offer continuing education," said Raduenz. "We want everyone who attends the event to walk away with new knowledge that they can pass along to their clients."

Refrigeration Sales Corporation, where the event will take place, is located at 9450 Allen Drive, Suite A, Valley View, OH 44125. To see the complete agenda and register for the Cleveland, Ohio event, visit <http://www.modineinnovationtour.com/tour-detail/oh/cleveland>.
