## **Modine Innovation Tour Heads to Warren, N.J.**

### **Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Warren on September 14**

RACINE, Wis., Sept. 1, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Warren, New Jersey, on Wednesday, September 14 at the Wales-Darby New Jersey Office, from 8 a.m. to 6 p.m., for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in residential geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"New Jersey's diverse economy means there are a lot of different types of HVAC needs," said Kimberly Raduenz, marketing communications manager for Modine. "We hope to connect with engineers and contractors who deal with customers in a variety of industry verticals and help them better understand the future of HVAC technology so they can translate that knowledge to their customers."

In addition to the product showcase, continuing education will be provided at the event for CEU credits with the following courses:

- | New Hydronics, New Hydronics Components
- | Dedicated Outdoor Air System Basics
- | Active Chilled Beams
- | Fin Tube, Convectors, Cabinet Heaters and Fan Coils
- | Geothermal Heat Pumps

"This stop features one of the larger amount of CEU credit courses we offer on the tour," said Raduenz. "Our goal is to help continue education for everyone in the industry. Hands-on training is an important part of that process, and we're happy to have the ability to offer it in such a unique setting right here in New Jersey."

The Wales-Darby New Jersey Office, where the event will take place, is located at 5B Powder Horn Drive, Warren, NJ 07059. To see the complete agenda and register for the Warren, New Jersey event, visit <http://www.modineinnovationtour.com/tour-detail/nj/warren>.
