Modine Innovation Tour Set To Visit Harrisburg, Pennsylvania

Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Mechanicsburg on September 21

RACINE, Wis., Sept. 8, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Mechanicsburg, Philadelphia, eight miles west of Harrisburg, on Wednesday, September 21 at H&H Sales Associates, Inc., from 9 a.m. to 5 p.m., for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in residential geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"This is the second stop in Pennsylvania for the tour, but a very important one," said Kimberly Raduenz, marketing communications manager for Modine. "With major industries like healthcare, technology and education, along with the dominant representation of government facilities inherent to being Pennsylvania's state capital, there are a lot of opportunities for engineers and contractors to discover the latest in HVAC technology and use that knowledge to set them apart from their competition."

In addition to the product showcase, continuing education will be provided at the event for NATE/CEU credits with the following courses:

- | Sound Principles of HVAC Equipment (CEU)
- | Dedicated outdoor Air Systems Basics (CEU)
- | Venting of Unit Heaters (CEU/NATE)
- | High Efficiency Condensing Unit Heaters

"Knowing the latest technology is one thing, but being able to see and touch our products is a point of emphasis we've made for the tour this year," said Raduenz. "We want to offer everyone who signs up the opportunity for continuing education to deliver a better customer experience."

H&H Sales Associates, Inc., where the event will take place, is located at 4510 Westport Drive, Mechanicsburg, PA 17055. To see the complete agenda and register for the Harrisburg, Pennsylvania event, visit <http://www.modineinnovationtour.com/tour-detail/pa/harrisburg>.
