Modine Innovation Tour Travels to Baltimore

Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Hanover on October 4-5

RACINE, Wis., Sept. 20, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Baltimore, Maryland, on Tuesday, October 4 from 9 a.m. to 7 p.m., and Wednesday, October 5 from 9 a.m. to 1 p.m., at the Maryland Live! Casino, for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"Baltimore is an important stop on our tour," said Kimberly Raduenz, marketing communications manager for Modine. "In addition to construction, educational services and healthcare becoming some of the fastest growing industries in the area, Baltimore is also fast becoming one of the bigger tech cities in the United States. This equates to more opportunity for engineers and contractors to provide the latest in HVAC technology to a variety of industries."

In addition to the product showcase, continuing education will be provided at the event for CEU credits with the following courses:

Tuesday, October 4

- | Dedicated Outdoor Air Systems Basics
- | Basics of Make-up Air
- | Gas Fired Heating for Commercial Equipment
- | Sound Principles of HVAC Equipment

Wednesday, October 5

- | Dedicated Outdoor Air Systems Basics
- | Basics of Make-up Air

"We want engineers and contractors from the greater Baltimore area to come out and see first-hand the new HVAC technology that's out there," said Raduenz. "We hope the hands on experience we'll be able to provide them with more knowledge and a better understand of the solutions they can provide their customers."

Maryland Live! Casino, where the event will take place, is located at 7002 Arundel Mills Circle, #7777, Hanover, MD 21076, right of the Baltimore-Washington Parkway.
