## Modine Innovation Tour To Travel to Nashville, Tennessee

### Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Nashville, Tennessee on November 1

RACINE, Wis., Oct. 20, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Nashville, Tennessee, on Tuesday, November 1 from 9 a.m. to 3 p.m., at Four Points by Sheraton, for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"To most people, Nashville is known for being the center of the music industry," said Kimberly Raduenz, marketing communications manager for Modine. "But for the HVAC industry, the Music City is a great place to be. There's a lot of employment growth, and no shortage of commercial renovations and new construction going on. We're excited to visit the city and showing local contractors and engineers the latest in HVAC technology."

In addition to the product showcase, continuing education will be provided at the event for CEU/NATE credits with the following courses:

- | Advancements in Energy Recovery for Dedicated Outside Air Systems (CEU)
- | Venting of Unit Heaters (CEU/NATE)
- | Sound Principles of HVAC Equipment (CEU)

"Continuing education is such an important - and sometimes overlooked - aspect of staying up to date on what you can offer your customers," said Raduenz. "We hope that everyone who comes out to the event walks away with a better understanding of the new technologies that are out there, and how they can apply them to the city of Nashville and the surrounding areas."

Four Points by Sheraton, where the event will take place, is located at 760 Old Hickory Boulevard, Nashville, TN 37027. To see the complete agenda and register for the Nashville, Tennessee event, visit <http://www.modineinnovationtour.com/tour-detail/tn/nashville>.
