Modine Innovation Tour To Stop In Pittsburgh

Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Pittsburgh on October 27

RACINE, Wis., Oct. 14, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Pittsburgh, Pennsylvania, on Thursday, October 27 from 9 a.m. to 4:30 p.m., at Standard Air & Lite, for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"Pittsburgh has made a strong transition into a city that is ready for the 21st century," said Kimberly Raduenz, marketing communications manager for Modine. "With a focus on healthcare, banking and technology, there has been a strong uptick in construction related jobs in the region. We hope to educate contractors and engineers about the advancements in the HVAC industry and how they can use new technology to stay ahead of the competition in the area."

In addition to the product showcase, continuing education will be provided at the event for CEU/NATE credits with the following courses:

- | Venting of Unit Heaters
- | Basics of Make-up Air
- | Gas Fired Heating for Commercial Equipment
- | Dedicated Outdoor Air Systems Basics

"We're looking to provide a hands-on experience for anyone who is interested in learning more about the latest HVAC technology," said Raduenz. "Professional development is an important part of this tour, and we hope that those who can make it out to the event will be able to walk away with real world knowledge they can immediately use with their customers."

Standard Air & Lite, where the event will take place, is located at 2406 Woodmare Drive, Pittsburgh, PA 15205. To see the complete agenda and register for the Pittsburgh, Pennsylvania event, visit <http://www.modineinnovationtour.com/tour-detail/pa/pittsburgh>.
