## **Modine Innovation Tour heading to Columbus, Ohio**

### **Cutting-edge HVAC manufacturer to host hands-on event with the latest in HVAC technology and continuing education courses in Columbus on October 25**

RACINE, Wis., Oct. 12, 2016 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, is going to be in Columbus, Ohio, on Tuesday, October 25 from 10 a.m. to 4 p.m., at Brookside Golf & Country Club, for their latest stop in the [Modine Innovation Tour 2016](#).

The Modine Innovation Tour 2016, traveling across North America, showcases the latest products in the HVAC industry, including solutions in geothermal and rooftop HVAC, plus ultra-efficient unit heaters and some of the quietest classroom HVAC products on the market.

"Columbus has such a wide range of industries," said Kimberly Raduenz, marketing communications manager for Modine. "The city has developed a diverse economy that involves healthcare, manufacturing, banking, insurance, logistics ... the list goes on and on. This means a variety of opportunities for contractors and engineers to provide building owners and facility managers with the latest in HVAC technology."

In addition to the product showcase, continuing education will be provided at the event for CEU credits with the following courses:

- | Dedicated Outside Air Systems Basics
- | Sound Principles of HVAC Equipment
- | Basics of Make-up Air Systems

"We hope that everyone in the greater Columbus area who attends gets a chance to take advantage of our continuing education credits," said Raduenz. "Education has been our number one goal with this tour, and we think there's a lot for people to take away from this event."

Brookside Golf & Country Club, where the event will take place, is located at 2770 West Dublin Granville Road, Columbus, OH 43235. To see the complete agenda and register for the Columbus, Ohio event, visit <http://www.modineinnovationtour.com/tour-detail/oh/columbus>.
